'Great Moments'

The Grizzly
Vol. 54 1983

Butler County Community College
El Dorado, KS. 67042

"Great Moments" occur in everyone's life, but they occur more often in the life of a student who opts to go to college.

BCCC has the largest enrollment it has had in its 56 year history and with it comes many new students and lifestyles. Almost three thousand students enrolled for the fall semester to share in classroom or in extra curricular activities.

One of the early great moments was the play production "A Funny Thing Happened on the Way to the Forum" which played to standing room only. Some of the cast members frolic in the park to show their exhilaration.

Pepped Up

The El Dorado Chamber of Commerce sponsored a "We're Number One" pep rally for this year's football team. The rally was held August 31 on the courthouse lawns, and a dance was held in the parking lot later that evening. The rally was well attended by college and community Grizzly supporters.

We 'Can Do Magic'

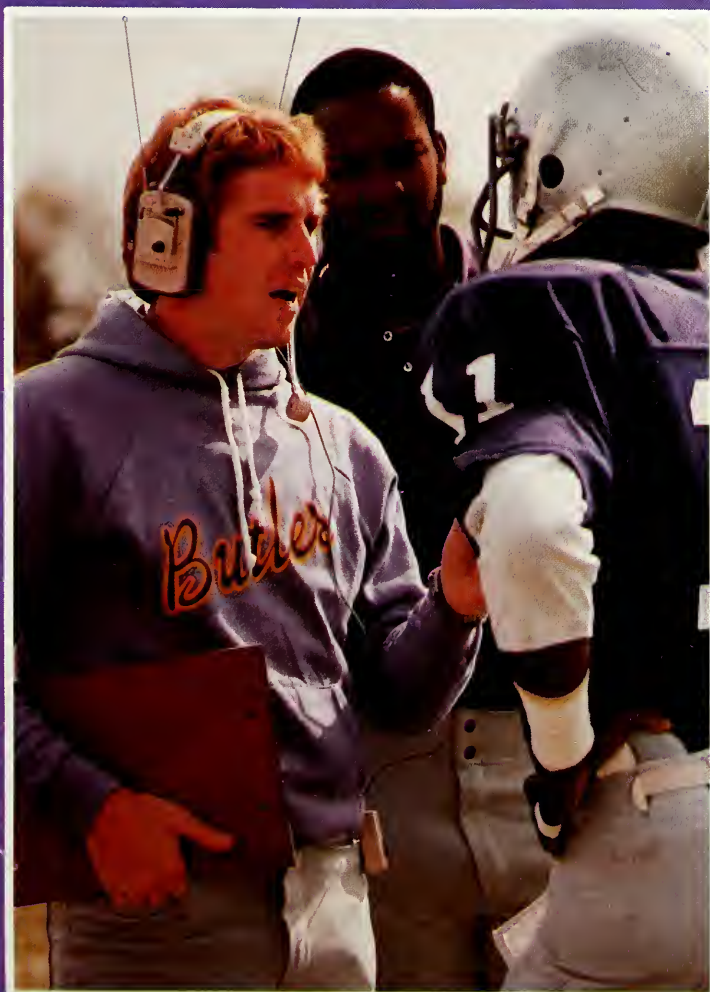

The 1982 Football Homecoming celebration got off to an early start as a bonfire and pep rally took place at the 4-H grounds on Thursday night. Laina Corder, a sophomore from Oakdale, California, and Earl "Magic" Walker, a sophomore from Ft. Lauderdale, Florida, were named homecoming queen and king. After the rally, a dance honoring the candidates was held in the 4-H building. The parade and game were on Saturday.

Celebrate '82

Saturday's homecoming activities kicked off with a parade through downtown El Dorado, and featured floats and the Pep Band. The Honeybear Dance Troupe performed at half-time of the football game. Homecoming festivities ended on a special note as the Grizzlies trounced Garden City, 33-20.

Skating Is A Big Hit

A skating party to get acquainted was sponsored early in the fall term by SAC. Students got in free with display of the college ID. The party lasted for three hours, but some of the students did not

'Time Out'

Surviving in the mad rush of school sometimes requires being by yourself for a few minutes for quiet contemplation. John Kendricks (top) is gathering his thoughts about ball practice. Football

Record Drops: 4-4-1

Grizzlies are not number one in '82. After finishing 12-0 in 1981, the Butler County grid team did a complete turn around in '82 by finishing 4-4-1.

Disappointing? Not really.

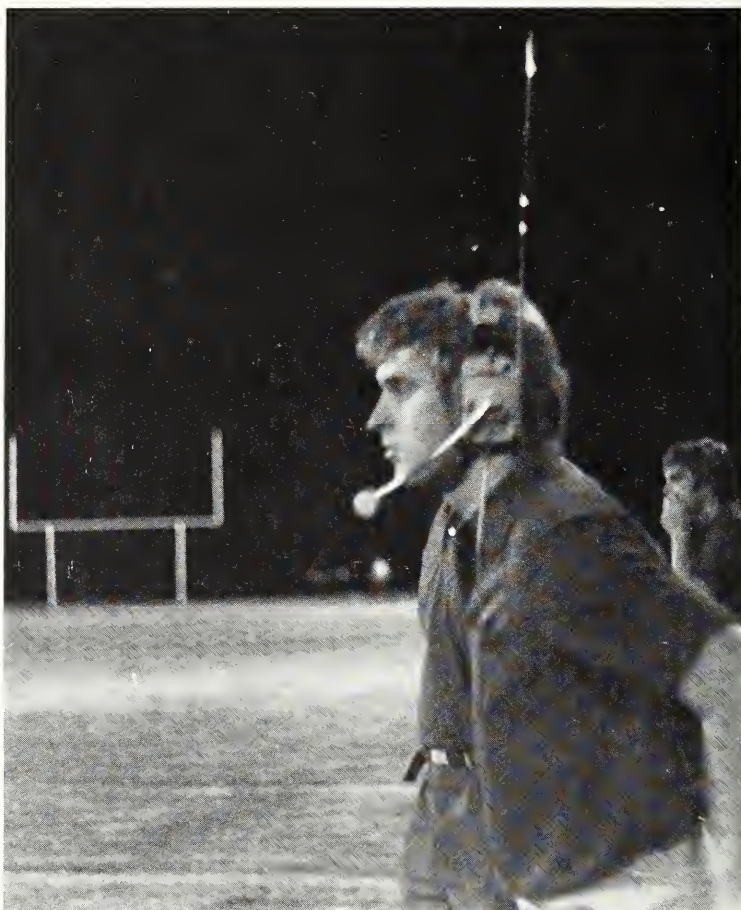

Look at it from a sophomore point of view. During their two years of playing Grizzlies' football, the sophomores racked up a 16-14-1 record. Not bad at all.

With the graduation of some key players and a lack of experienced sophomores, the Grizzlies were a freshman-dominated squad. Not to mention the unexpected resignation of Coach Fayne Henson just three weeks before the summer practices began.

Brian McNeely was named successor to Henson and just one week before practice started, went out and gathered a staff and went to work. Actually, McNeely did a fair job under very difficult circumstances.

Coach McNeely said, "Our team played really well at times this year, but we really lacked a great deal of consistency. We have a good group of freshmen returning for next year and I would expect us to be more consistent."

In December it was announced by the college that McNeely had been fired. Within a few days, a special Board of Trustees meeting was called and the official announcement was that McNeely had been rehired as head coach.

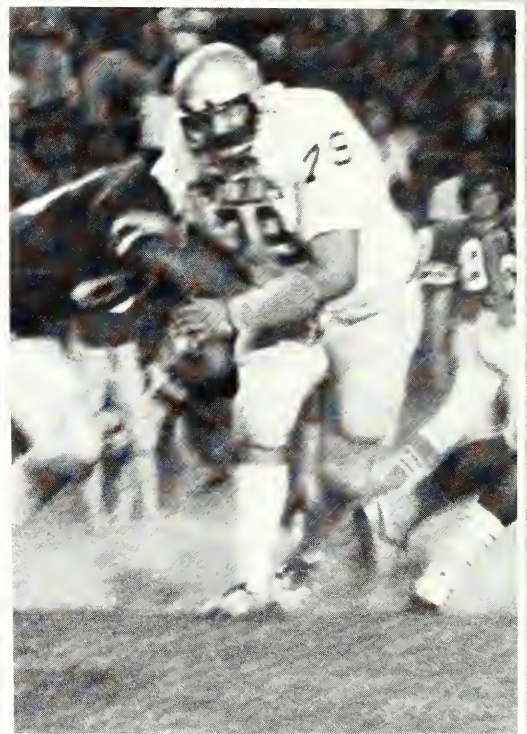

HEAD COACH BRIAN MCNEELY watches the Grizzly action as he receives information from coaches in the press box. The Grizzly team is led onto the field by co-captains Darren White and Jim Phillips at Circle High School in Towanda where several of the home games were played.

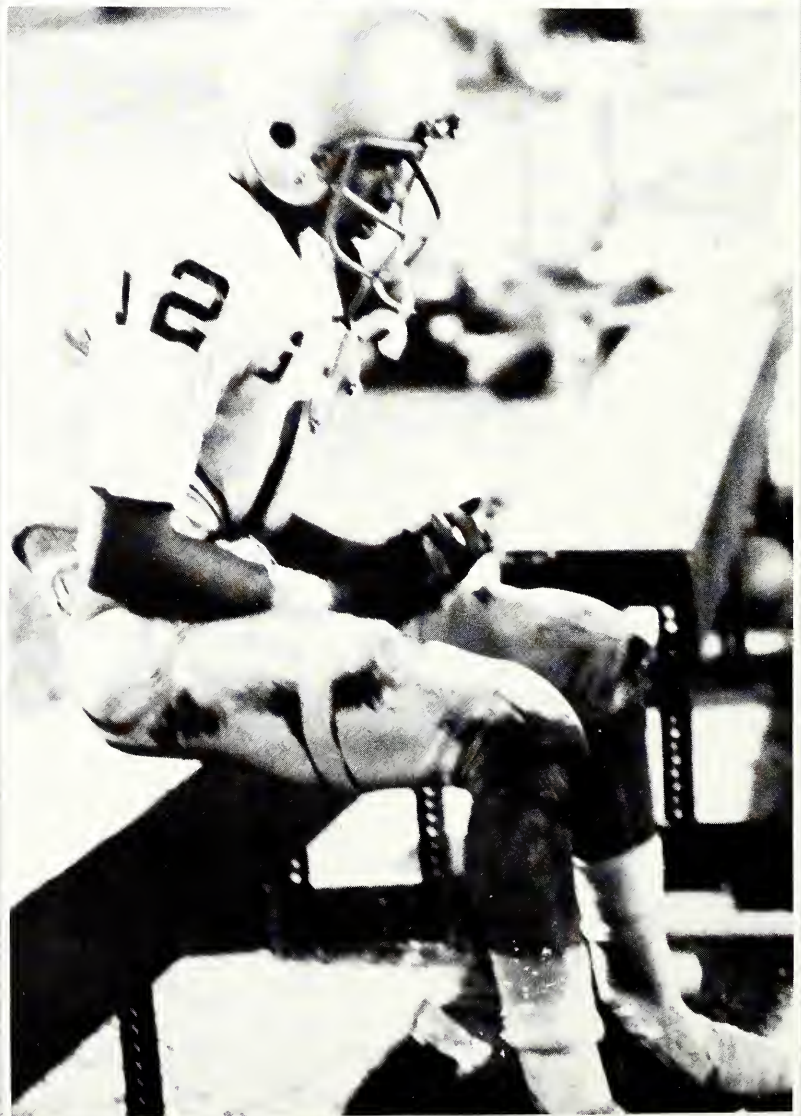

FOOTBALL ACTION-top photo, the Butler defense attacks the ball. Bottom left, John Kendricks picks up big yardage for the Grizzlies. Bottom right, Lee Dudick, teammates, and opposition look for that elusive loose football.

FOOTBALL ACTION finds Joe Christmon, No. 34, upper left blocking for tailback Jamie Holland on his way to more yardage. Jerry Quick, upper right, beats his man en route to sacking the quarterback. Tony Shelby, lower right, takes a break after suffering a hand injury.

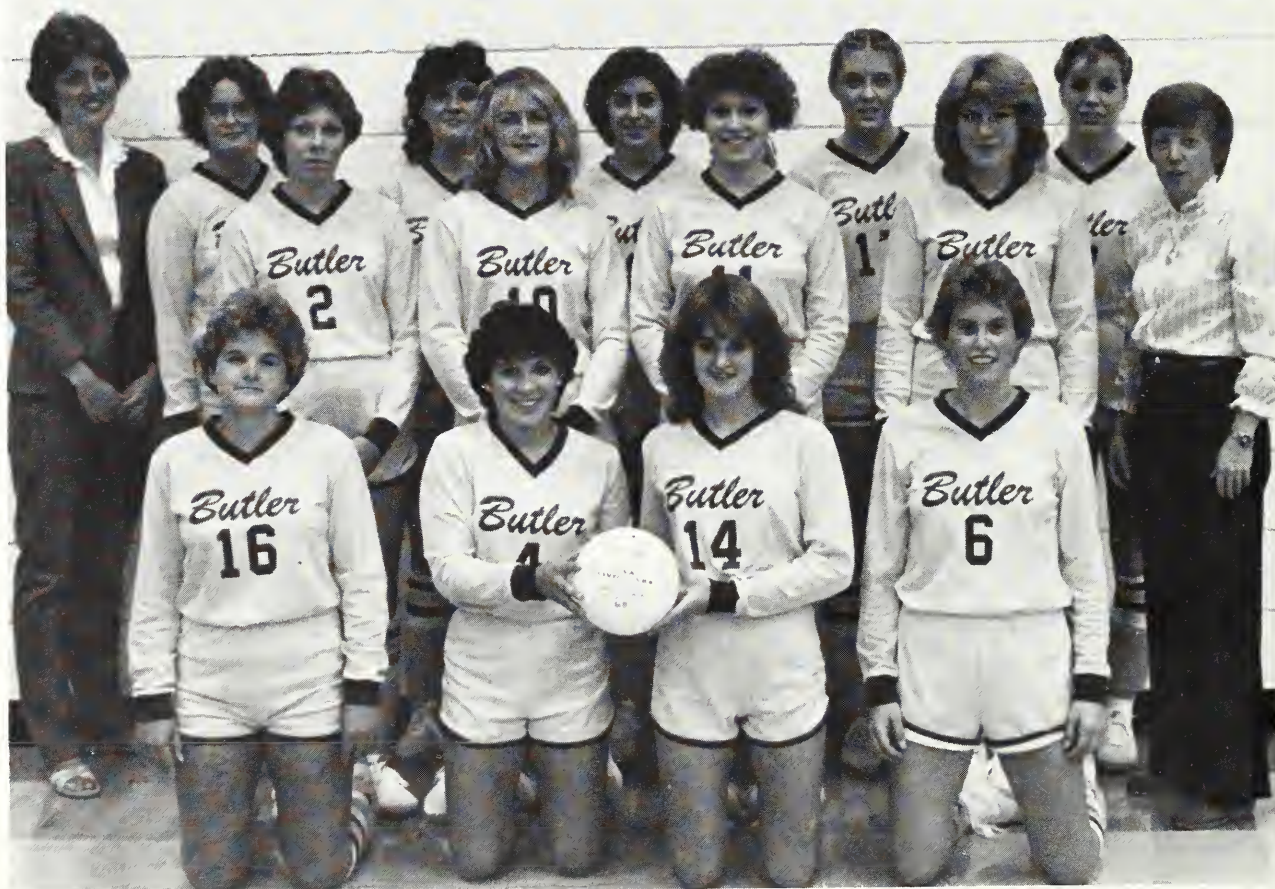

ON THE WAY to a touch-down wide receiver Tony Shelby sweeps around right end behind the blockings of Jim Phillips. Defensive end Jason Mueller reaches out for a shoestring tackle.

Volleyball Women End Season 14-18

The women's volleyball team won its opening game for the season against Bethel College, and from then on had some disappointing moments.

The team ended the season 14-18 but did not qualify for the regionals. Five sophomores returned to the team including Arlene Reekie, Cynthia Thrasher, Tammy Martin, Heather George, and Lenda Sheriff. Coach Debra Sawtelle said of the season: "We were all disappointed that we did not qualify for regionals. However, we did have a good season and played some super volleyball at times. My freshmen got a lot of playing experience and this should help us a great deal next year."

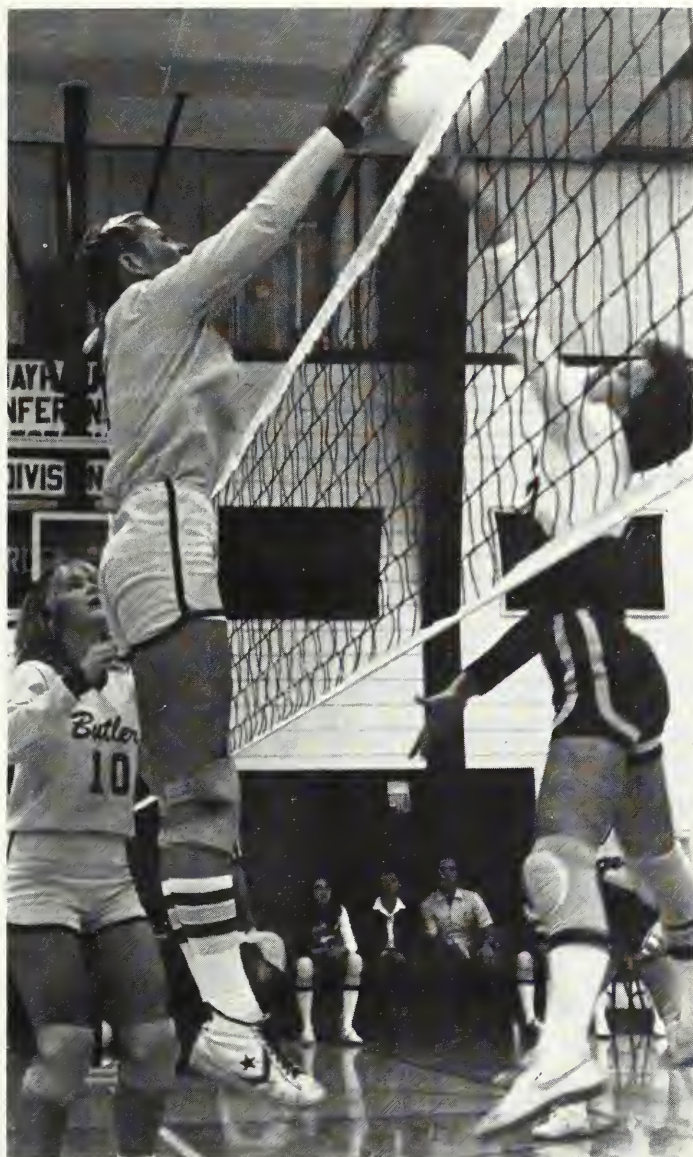

MEMBERS OF THE BCCC WOMEN'S VOLLEYBALL team include, front row (from left) Becky Barnett, Lenda Sheriff, Heather George, Janelle Banz. (second row) Carla Hinz, Cynthia Thrasher, Arlene Reekie,

Mellisa Unger, Coach Debra Sawtelle. (back row) manager Debbe Bishop, Valorie Dukat, Valerie Seal, Janice Martin, Tammy Martin, Diane Alexander.

Women Runners Nab Regional

The women's cross country season proved to be a very productive one. The members of the team were the undefeated Region Six champions.

This is the first time a women's team has won a regional title in any sport at BCCC.

The team placed fourteenth in the national track meet held at Utica, N.Y.

Three women made the All Region Six team: Becky Alpers, Terry Hormell, Charlotte Purcell.

Since five team members are freshmen, Coach John Francis stated that he is looking forward to an excellent year next year.

Other members of the team were Tammy Hodges, Rachel Seager, and Jody Wells.

Keesling Makes National Meet

With a freshmen oriented team and with numerous injuries, the men's cross country team placed fourth in the regional meet.

Jim Keesling, sophomore, was the only individual to qualify for the nationals by placing fifteenth at the Region Six meet. Keesling ran in the nationals at Utica, N.Y. and placed 171st.

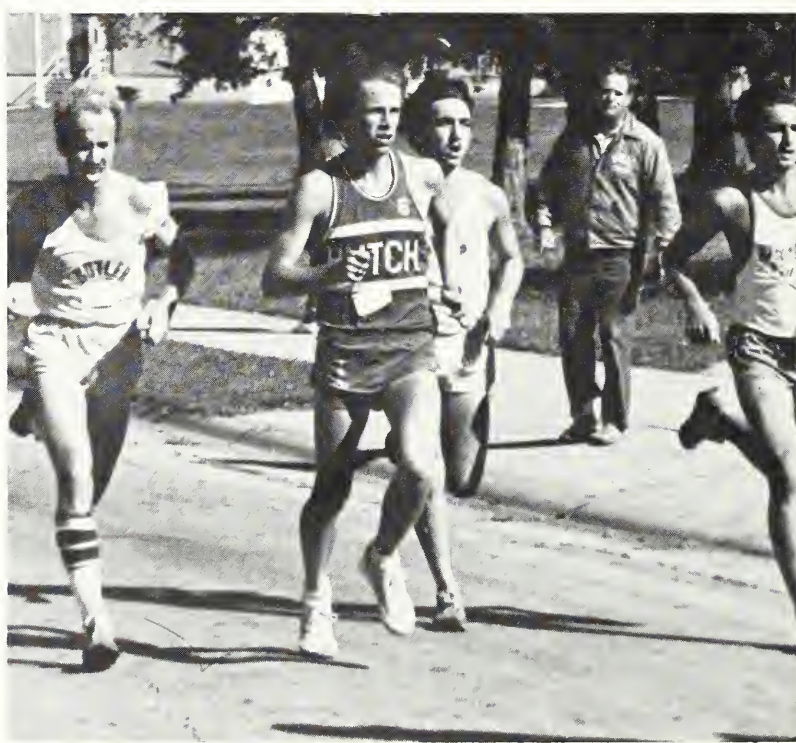

During the season, the Grizzlies won three meets, took second in two meets, and placed third in another with fourth place at the regionals.

The 1982 season was the last one for Coach Oliver Isom since he is retiring from coaching. Isom was a top collegiate cross country for many years.

Basketball Men: 19-10

Butler started the season with high hopes. The team had the height it takes to be a top contender.

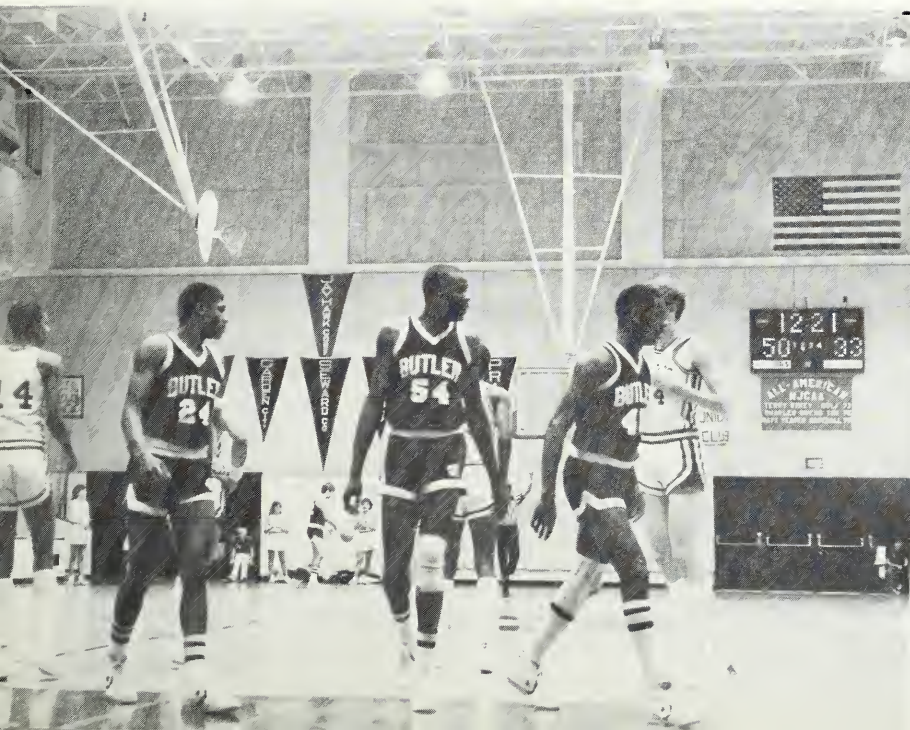

The Grizzlies had four returning starters: Henry Ford, Butch Berry, John Ford and Earl Walker. Berry and Walker were team captains this season.

Butler participated in one of the toughest basketball conferences in the nation, the Jayhawk Juco. The Grizzlies won their first game against Northern Oklahoma. Many times during the season they played some outstanding ball. At press time they went against Pratt for a second time, coming out the winner, after being defeated in the first encounter. The Grizzlies were 19-10 overall and 5-6 league at press time.

Women Advance

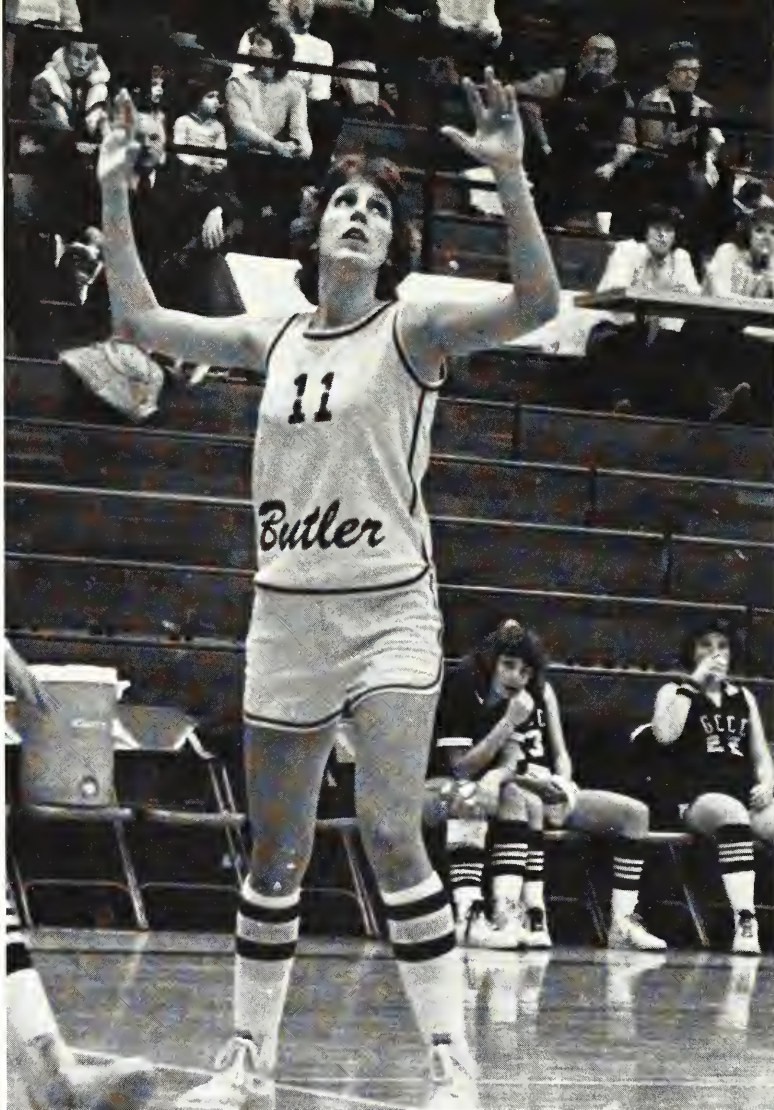

"The best season in four years" is how Coach Tonya Kerschner summed up the women's basketball season.

Fourth place in the western division of the Jayhawk Conference was won by the women cagers. This was the first time the women made it to the play-offs in four years.

The season got off to a disappointing start for the women, but the team picked up momentum toward the end. The overall record was 10-21, and the women were 6-10 in the Conference.

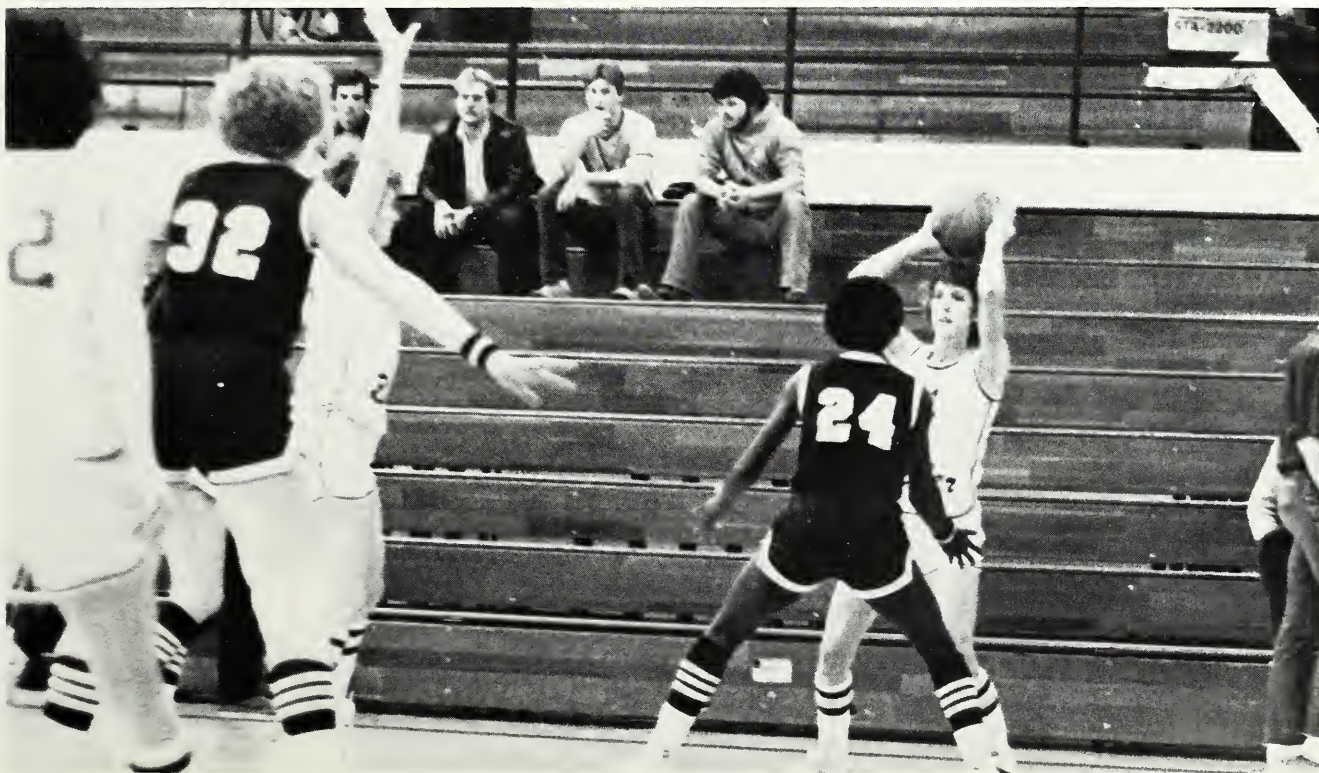

Returning sophomores included Debbe Bishop, Debbie Sparks, Lori Embree, Teresa Westerfield, Jo Stuber, Shari Klassen.

Campus Looks - We've Got You Covered

Watch closely because these next four pages are about to explode into an amazing variety of day looks, night looks, city and country looks for college students.

Something fantastic happens when you wrap yourself up in the fashions for '83. R.A. Wells and Lasater's have helped BCCC keep up on all the fashionable trends.

Keep it simple. Keep it right. Fashion is taking a more tailored direction this year. Sweaters, combined with the tailored look in pants are great classic looks, and are the perfect item for a college students wardrobe. You can interchange a sweater with anything and have more than one outfit. Soft. Stylish. More textures to touch. And colors colors colors.

'83 fashion consists of garden colors, rare antique colors, a season filled with rich gleaming new brilliance. Rich apricots,

pinks, yellows, black, pale reds, and all shades of green are in this year. But what's more amazing are the color combinations one can wear: turquoise with any other blue, brown or purple with yellow, green with violet, even deep blue with black.

It's pattern on pattern.

It's mix and match.

It's stripes and plaids.

It's all very decorative colors.

The styles on the college campus are carefree. The dress of today's fashion is an attitude of "Anything Goes." With such stylish clothing, imagine the possibilities. A little money and a lot of imagination can make a college student's wardrobe incredible!

Sweatsuit Look

SWEATSUITS are the fashion on the college campus this year. Whether it is jogging and exercising, lounging in the dorm or student union, or just attending classes, sweatsuits seem to be the proper dress. Everywhere you go you see different styles and colors. Some are conservative and plain while others are brighter and more lively.

Earl (Magic) Walker has chosen a more sporty suit in creme and gray, while Jennifer Pyle shows off the softer, more feminine look of a pink suit. Alejandra Encinas shows off the bright outgoing colors of this year's fashions-pinks and purples. Each is different in style and color, but all are suitable for any informal occasion on campus.

Butler Hosts National Rodeo Group

Exciting rodeo action filled the El Dorado Saddle Club Arena in October when the first National Intercollegiate Rodeo Association sanctioned rodeo was hosted by Butler County Community College. This is the third year that the College has been a member of the NIRA. All colleges that have a sanction are required to host the NIRA rodeo every other year, according to Daniel Ens, agriculture instructor.

Two hundred and ninety-seven contestants from 20 colleges in Kansas and Oklahoma participated. Because of the large number of contestants, some rode "slack" after the first evening's performance and on the following morning because there was not enough time for all of the contestants to compete in the performances.

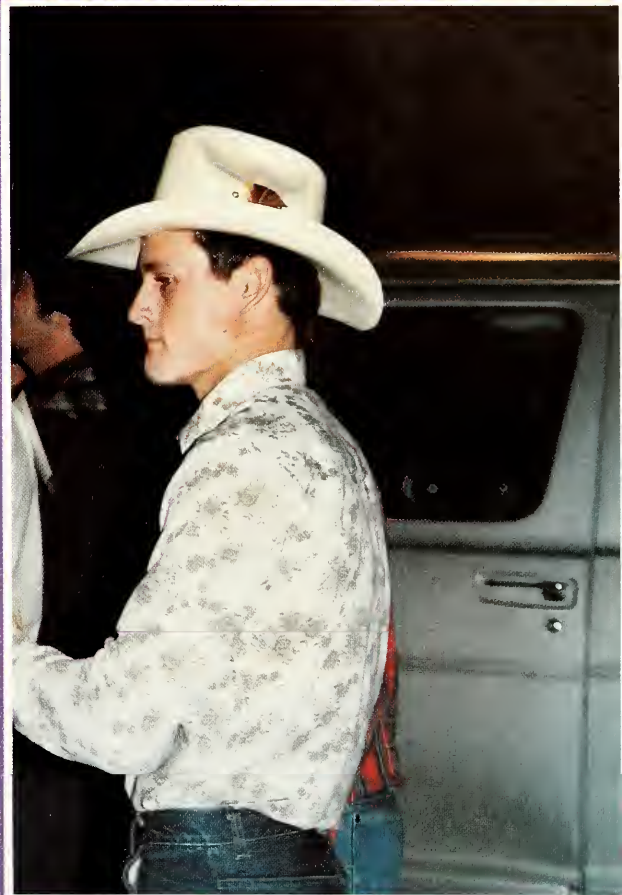

A highlight of the second evening was the calf dressing contest. The object of this contest was to get a shirt and pair of pants on a calf restrained by a rope halter. The first team to dress its calf and drag it to the middle of the arena was the winner. A team comprised of Jim Kitch, Andy Massoth, Marc Thomas won the trophy.

Three Bands Attract New Numbers

Due to an ever-increasing enrollment, BCCC's three bands — concert, pep, and jazz — all had increased numbers this year.

Fulfilling the desire for community involvement, the bands were joined by several off-campus musicians in rehearsals and concerts.

MEMBERS OF THE CONCERT BAND are, (from left bottom row) Dale Howell, Tracey Maddux, Angel Townson, Shelly Downey, Kurt McCune, Terri Maness, Linda Steinhauer, David O'Donnell, Beth Herrman, Bruce Roll. Second row, Brad Storey, Holly Allen, Janice Brown, David Heinrich, Paula Harms, Dale Reschke. Third row, Brian Davidson, Laura Vorhies, Benny Higgs, Kevin Lawrence, John Shell, Brian Lindsey, Neal Bergkamp, Troy Hagerman, Mark Goldsmith, Monte McKee. Fourth row, Gary Jacks, Bryan Ellis, Paul Hake, Rick Herb, Stan Miller. Fifth row, Bette Kohman, Kris Blank, Snn Ridgway, Shelly Stutesman, Tammy Lock, Chris Ziba, Tim Davis. Bottom right, Mark Goldsmith and Terri Maness. Bottom left, Matt Krause and Angel Townson fix her tie.

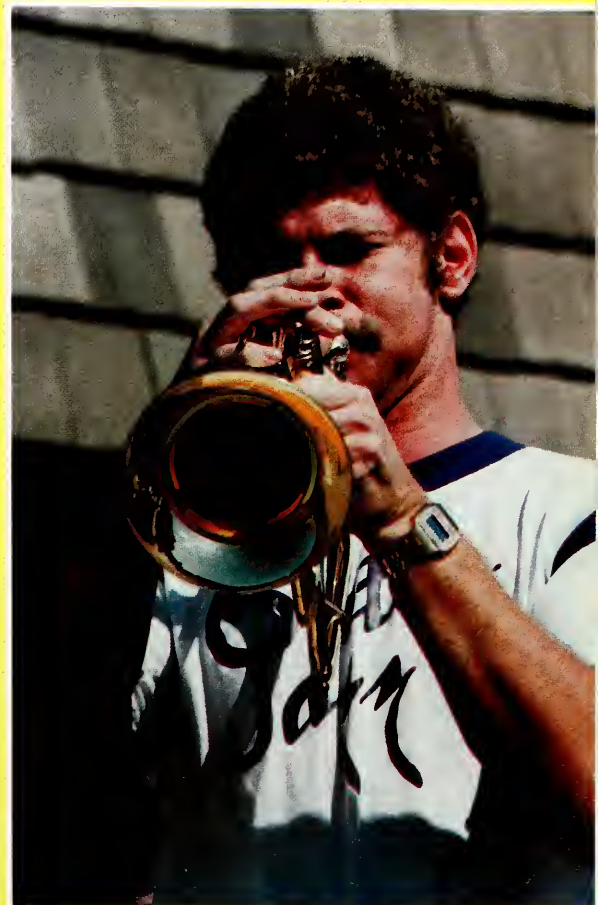

Jazz Band

The Jazz Band was invited to participate in the Bethel Invitational Jazz Festival at Newton. Spring semester found the ensemble being invited to the International Music Festival in Orlando, Florida.

Several on-campus concerts and numerous high school tours also helped produce a successful year for the group.

DOUG TALBOTT, instrumental director, discusses a question with jazz band member Shelly Stutesman, upper left. THE JAZZ BAND members consist of, from left to right, front row: Tracey Maddux, Monte McKee, Angel Townson, Shelly Stutesman, Pat Cabbage, David Heinrich, Bruce Roll. GREAT MOMENTS for some spectators at sports events only happen when the Pep Band goes into action. Never quiet, never subtle, always wild, and always appreciated can describe the members of the Pep Band under the direction of Doug Talbott. Right, Benny Higgs hits it; Talbott prepares for a pep rally on campus.

Pep Band

Pride and enthusiasm are high priorities with the Pep Band members since they were chosen for both their musical ability and their spirit.

Providing music for all home football and basketball games along with traveling to several away athletic contests were included in the duties of the band members.

The familiar "charge" sound provided by the Pep Band was always received wildly and enthusiastically by the spectators. The ruffles, flourishes, and rim-shots were as much a part of the football games as the kick-off whistle.

Vocalists Include Choir, Headliners

1982-83 was the second year for the Headliners Showchoir. This select group is chosen by auditions involving both singing and choreography. The Headliners gave four concerts on campus during the year and visited many area high schools. Their travels also included some out-of-state trips. The BCCC Pops Vocal Clinic, held in the spring, brought to the campus nationally known artists to work with the students on perfecting their vocal skills.

The BCCC Choir is an ensemble open to all who enjoy singing. The Choir presents four concerts during the year including a "Pops Concert" in the spring. The theme of this year's concert was Music from the Movies.

New robes were delivered in December adding a more formal, finishing touch to the group.

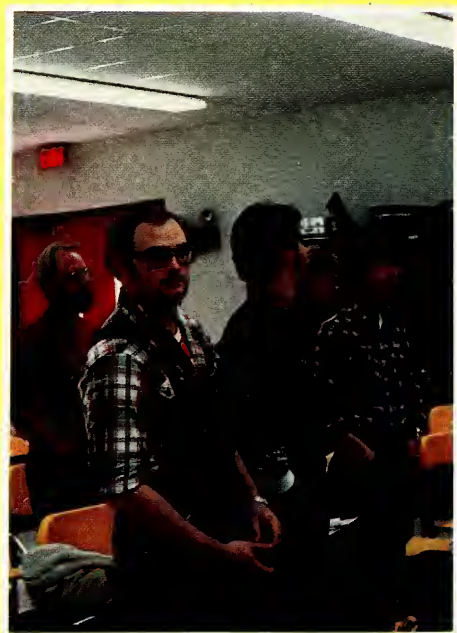

In keeping with the music department's desire to provide avenues for the students to express themselves musically, the Ladies Ensemble was formed in 1982. The ensemble has grown to include 12 singers who work on all styles of music, some selected by members and some by the instructor.

HEADLINERS VOCAL GROUP members wear striking black and white costumes. The singers include (front row from left) Jeff Becker, Todd Schwartz, Jim Stufflebeam, Joe Colangelo, Morey Balzer, David Heinrich, Kevin Lawrence, Jim Speer. Second row, Linda Pohly, vocal director, Linda Steinbauer, Tammy Luck, Sharon McVicar, Deanna Newman, Tallette Eastin, Angel Townson, Melissa Unger, Michele Nolan, and Kathy Griggs.

Delta Psi Is The Only Frat

The national chapter of Delta Psi Omega was started in March 20, 1929. Three years later in March of 1932 the local chapter was started and headed by L.W. Nixon. Delta Psi, the only fraternity on campus, is a national honor fraternity for the purpose of providing an honor society for those doing a high standard of work in dramatics, and provides a wider fellowship for those interested in the college theatre.

Larry Peters is the advisor, and the officers of this year are: president; Peter Henderson, vice president; Peter Albright; and secretary and treasurer, Harold Stewart.

The other members are: Chris Alfaro, Matt Krause, David Heinrich, David Leaper, Roger Charles, Jerry Smith, Shelly Downey and Jeannie Parscal. Honorary members added through the years are: Marge Marsh, Robert Chism, Doug Talbott, Linda Pohly, David Longfellow, and Bob Peterson.

School Elects BCCC Royalty

The first basketball homecoming since 1979 was held Feb. 12 when the royalty were crowned during a homecoming dance in the Student Union following a game.

Pat Cabbage and Debbie Sparks were elected king and queen at an all school election. Other candidates, Mike McCune, Byron "Doc" Green, Dee Ann Griffith, and Shelley Crawford served as attendants.

Dancing followed the ceremony. The Student Activities Council sponsored the event. The dance was one of the better attended social events of the year.

Intramurals Big With Students

One of the good things about life is having fun after class and homework are done. Approximately 300 students did just that by participating in intramural bowling, flag football, horseshoes, tennis, and volleyball during the fall semester.

Student participation by the end of the first semester increased by 84 per cent over last year. Intramurals are by far the most popular extra-curricular activity from the numbers participating standpoint.

Jeanette Malone, long-time Butler physical education instructor and intramurals director refuses to take credit for the highly successful intramurals program. "In order for intramurals to be successful, you need to have the following three elements: captains with excellent leadership, players who show good sportsmanship, and well-qualified officials," said Malone.

Regular activities offered during the spring semester included basketball, badminton, checkers, golf, horseshoes, billiards, table tennis, tennis. (See the spring supplement for additional coverage of intramurals.)

SAC Organizes Student Campus Activities

The Student Activities Council (SAC) is the organizing body for student activities on campus. SAC sponsors such events as dances, concerts and lectures. SAC meetings are open to all students.

At the beginning of each year, SAC advisers, this year Debbie Sawtelle and Phil Anderson, call a meeting for students interested in planning activities. The students nominate possible officers and elect three of them at a later meeting.

This year, Joe Linot was elected president; Leanne Hillwig, vice-president; and Jana Cox, secretary-treasurer.

SAC sponsored a "Get Acquainted Dance," to start out the school year. The dance was considered a success due to the large turnout. SAC sponsored homecoming events including the election of king and queen and the campus float contest in the homecoming parade.

DECA Develops Coed Careers

"DECA is a youth organization and its purpose is to develop leaders. The students have their local chapter and participate at all levels: regional, state, and national," said Jim Edwards, the Distributive Education Clubs of America (DECA) adviser. DECA involves marketing, merchandising, and management. Its members are enrolled in a class called Field Study Conference in which all students must find a part-time job. DECA's main objective is "to help students with their career objectives in retail and marketing," said Michelle Smith, current DECA president for the College chapter.

This was the twelfth year the College has had a DECA chapter. Bob Longnecker was the post-secondary state president. The office of vice-president for the College chapter was held by Sandy Stokes and later Joe Heenan. The other officers were: Jana Cox, secretary; Joy Loop, treasurer; Rob Kenemer, parliamentarian and John Kenemer, reporter.

Paper Changes

The Lantern, BCCC's weekly newspaper, started from scratch in the fall semester when Mitch Fabry and Shelley Crawford took over as co-editors. Due to the lack of staff members The Lantern asked and got permission from the Board of Trustees to become a bi-monthly, completing the fall semester with eight issues.

The paper became a conservative newspaper during the fall semester. Top news stories involved an investigation on the disorganization of The Lantern and a need for a student health center.

Other staff members included Bob Longnecker, business manager; Joyce Dutton, entertainment editor; Jim Keesling, sports editor; Chris Heidebrecht, assistant sports editor. Staff reporters were Angie Embree, Kathy Kuntz, and Lesmes Boada. Photo staff members were Dixie Glanville and Kevin Fox.

In the spring semester, The Lantern took a new road when it again became a weekly publication and acquired new management. Angie Embree was named editor-in-chief. Other staff

Staff Grows As Grizzly Adds Color

New concepts in yearbook planning were learned by the staff at the national journalism convention which was held in St. Louis. At the convention the staff members attended seminars designed to help the students produce a better yearbook.

The staff, the largest in several years, put together 32 pages of full color for the book and had it at the printers by November 1, setting a new record for speed.

First semester staff members included Derek Dillard (editor), Roger Joyce (photo editor), and Don Argo (layout editor). Other members of the staff include Twila Wilson, Elizabeth Cott, Kathy Kuntz, David Hinz, Darren White, Lee Dudick, Maia Harms, Terri Fowler, John Kenemer, and Martin West. Jo Ann Rogers is the class adviser.

Rodeo Club Hosts Its First NIRA Rodeo

Putting on the National Intercollegiate Rodeo Association sponsored rodeo here was a major project this year for the Rodeo Club. There were many jobs to do. Organization is the key to a smooth function. Planning and arrangements began months before this rodeo. Jobs such as selling tickets, programs, parking cars, and pushing cattle were filled by club members and other agriculture students. A great deal of the success of the rodeo was due to the involvement of students and the enthusiasm of the spectators.

J.D. Penwell coaches the active group of rodeopers. Their faculty adviser is Daniel Ens. He organizes entries and makes traveling accommodations.

To become a rodeo team member there are

tryouts and recruiting just like any other collegiate sport. The team represents Butler County Community College at approximately twelve rodeos. The team competes in the Central Plains region. Kansas and Oklahoma comprise the region designated by the NIRA.

The Rodeo Club has been organized for three years and is growing. It offers a chance for all those who are interested in the rodeo sport and the "Western Way of Life" to come together and share their interest.

There are two factions within the Rodeo Club. The rodeo team members participate in National Inter-collegiate Rodeo Association rodeos. The other club members are enthusiasts of the country lifestyle and rodeo sport.

THE RODEO CLUB is in familiar territory, the El Dorado Saddle Club grounds. Top, Mark Jones, Darrel Gray, J.R. McCafferee. Front, from left: Troy Hedrick, Gayle Osborn, J.D. Penwell, coach; Daniel Ens, coach. Rodeo Club members in a dramatic mid-air jump, are Scot Gryder, Don Doyle, Terri Walker.

Judging Is Sharing

Shelly Hodges, freshman, was named the top judge at the World Quarter Horse Show at Oklahoma City in December competing on Butler's judging team.

Shelly said that she took up judging since she has been around horses all her life and enjoys them.

At the World contest, she placed first in reasonns, first in overall judging, second in halter, and sixth in performance.

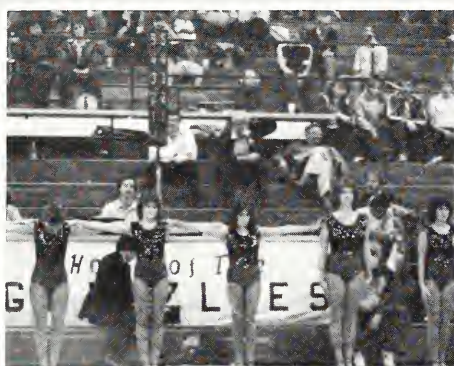

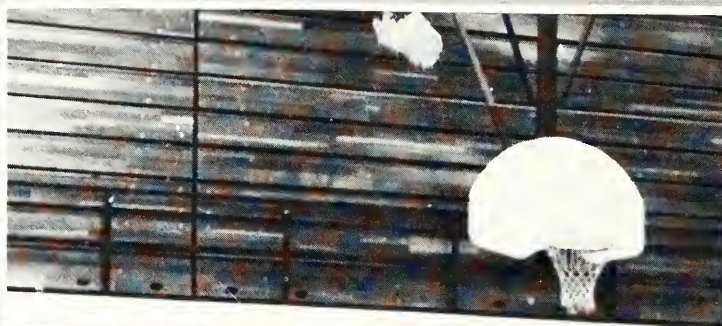

Shelly explained, "Judging is something you can pass on and teach to others. That's why I like it; it's something I can share with others."

Performers Attract

The Honeybears have been a great attraction at half time of most home football and basketball games. They have performed many routines throughout the year. They were able to do so well because of a lot of hard practices which took much dedication. The advisor who helped the girls and gave them support was Rebecca Kuntz. Sixteen girls participated in the squad this year.

UPPER LEFT: Julie Rierson, Ashley Shreve, Renee Alonzo, Andrea Turner, and Tammy Schnider get set for another interesting routine. Upper right: Dee Ann Griffith, Renee Alonzo, and Kristi Schneidewind learn some more dazzling moves. LOWER PHOTO from left, team members include: Julie Rierson, Ashley Shreve, Laina Corder, Andrea Turner, Tammy Schnider, Stacy Evens; twirler, Terri Maness. Front row, Kim Carpenter, Kristi Schneidewind, Theresa Schneider, Dee Ann Griffith, Paula Harms, Lee Ann Griffith, Cathy Cannady, and Rhonda Pykiet. Not pictured, Renee Alonzo.

Cheerleaders Turn It On

A fundamental part of BCCC's athletics is the cheerleaders. They come to every game without a complaint. Not only do they have their hearts in cheering, but their lungs seem to contribute even more. They try to get the fans to do a little cheering also. The hard work they put in on flips, turns, and cheers is admirable and well worth it.

The young women and men who make up this special group of supporters are: Captain, Garlis Allen; co-captains, Crystal Whitchurch and Sheryl Boxell; Carl Glenn, Steven Massey, Janet Robinson, Angela Craddock, Cara Oursler, and two who began after football season, Leanne Hillwig and Jennifer Pyle.

LOWER PHOTO: The cheerleaders make a path for the basketball players to run through. Upper photo: For a half time cheer at a home basketball game the squad gets ready to make a pyramid, one of the most crowd-pleasing formations.

Mascots Draw Much Attention

Two faithful mascots always seem to make it to the basketball and football games. They jump and roll around, never failing to catch the spectators attention. The young men inside these suits are Milton and Morey Blazer, twins from Potwin. Other than cheering for the players they would try almost anything, including roller skating, to get the crowd excited.

UPPER LEFT: Milton sits at center court during half time of a basketball game. Upper right: Morey gives a big smile for the camera. Lower left: Mascot gets caught doing a strip-tease during a pep rally. Lower right: Mascot mingles with the crowd, trying to get a few laughs.

Freshman Enrollment Breaks Record

The enrollment for fall 1982 was the highest in the college's history. A total of 2,985 students enrolled at BCCC or one of its outreach programs making an increase of 24.6% from the 1981 fall enrollment.

This increase made the College the fourth largest community college in Kansas. Of the 2,985 total, 1,175 students are part-time or full-time freshmen. A total of 747 freshmen attend classes on the campus itself and 391 of those are full-time.

Reasons for the sharp increase in enrollment have been attributed to many different causes. The main reason was the state of the economy including the high rate of unemployment. According to Everett Kohls, director of admissions and records, while jobs are sparse, high school graduates find

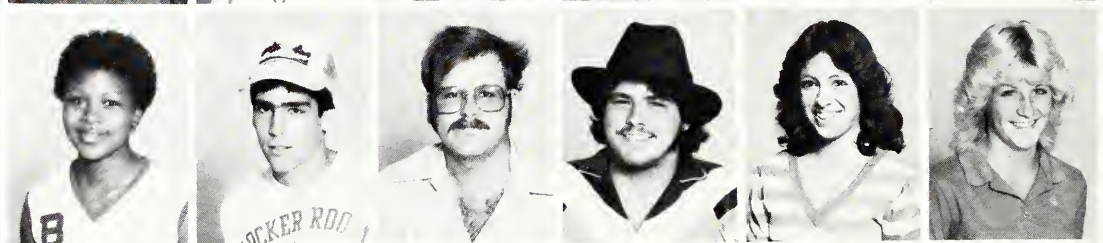

college a valuable asset. Other reasons for the increase could be publicity of last year's achievements such as the national championship football team and the High-Q program.

This year's freshmen were involved with making great moments in many areas. Topeka freshmen; Steve Massey and Carl Glenn became the first yell leaders since 1978. Morey and Milton Balzer, Potwin freshmen, took on different identities when they donned their bear mascot costumes. Freshmen were involved with the College productions of "A Funny Thing Happened on the Way to the Forum," "The Lion in Winter," and "The First Boy." Freshmen were also involved with; band and vocal groups, the Honeybear Dance Troupe, the cheerleaders, the Lantern and the Grizzly.

SOPHOMORES

Great Grizzly Graduates

Sophomore Enrollment Up 110 Per Cent

Sophomore fall enrollment increased a total of 110 percent from last year's figures with a total of 1,008 students. Males made up 53 per cent of those attending.

Two reasons for the increase in enrollment were ascribed to inflation and high unemployment in the area.

Besides academics, students also enjoyed participation in extra curricular activities such as arts, athletics, band, journalism, music, student activity counsel, and theatre.

President of SAC was sophomore Joe Linot; LEEANNE HILLWIG was secretary.

The Delta Psi Omega sophomore officers were Pete Henderson, president; Peter Albright, vice-

president; Harold Stewart, secretary-treasurer.

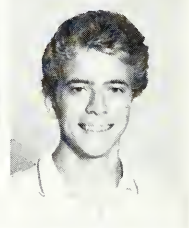

The Delta Psi Epsilon Chi state president was Bob Longnecker.

Sophomores in athletics who received awards or recognition included Don Weatherby, first team all conference and MVP in offense; Curt Pruitt, first place fall Jayhawk Conference in golf.

Sophomore members of the Kansas Association of Community College were Holly Allen, Paula Harms, David O'Donnell, Brian Lindsey, David Heinrich, Shelly Downey, and Dale Howell.

Sophomore members of the Kansas Association of Community College band were Holly Allen, Paula Harms, David O'Donnell, Brian Lindsey, David Heinrich, Shelly Downey, and Dale Howell.

SPECIALS

Furthering Their Education

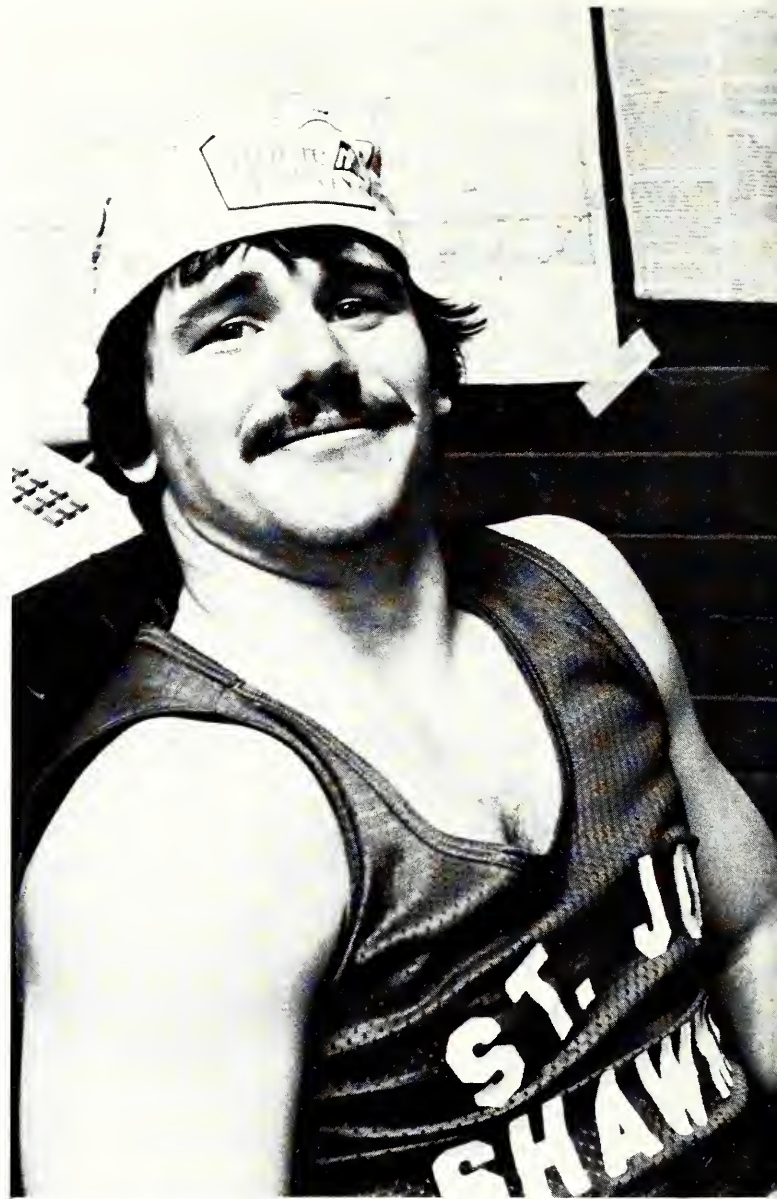

“Special”

Special students are so called because the title includes a wide variety of students who are classified as neither freshmen nor sophomores.

They are high school students, working people, housewives, and people who have already earned degrees.

Since BCCC offers classes in many areas. Some students who have earned degrees have come back for more education. None of these students are full-time.

THE MARK OF A TRUE SPORTS FAN is displayed on the face of Don Argo as he studies the play at a home basketball game from the cheering

section. Argo painted the grizzly print on his face in a burst of patriotism for the team.

SECOND SEMESTER

Even Better

2nd Term Tallies Up

Second semester enrollment at the college recorded an estimated 20 percent leap over the spring semester of last year commented Everette Kohls, registrar. The total number of students enrolled reached an astounding 3200 plus.

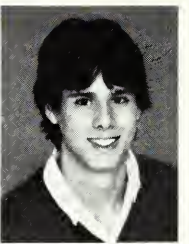

Kohls said that unofficially the spring enrollment accounted for a nine per cent increase over the fall semester. Spring enrollment is the "big time" for Butler County in the past two years.

Butler County Community College students were enrolled in 17,000 on campus hours and, 8,000 off campus hours according to Kohls.

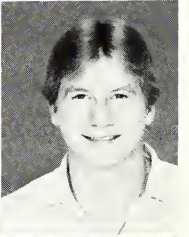

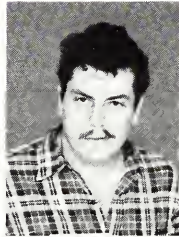

Persons pictured in the second semester section of the book either enrolled second semester or did not get their photos taken first semester.

ADMINISTRATION, FACULTY, AND STAFF

Helping Students Learn

Fees Are Raised

The Board of Trustees, policy-makers for the school, voted an increase in students fees, dormitory fees, and meal ticket fees for the fall, 1983 semester.

Statewide attention was focused on Butler in November when it was announced that the first year football coach had been fired. The Board quickly met and announced its vote to keep the coach another year.

The Trustees also voted to keep Carl Heinrich as president for another year without salary increase.

Authorization by the Board for plan drawings for a new gymnasium addition was an item of interest to both students and taxpayers.

BOARD OF TRUSTEE MEMBERS gather in the Board Room of the Administration Building for a monthly meeting. They are (from left) Greg Mathias, Wayne Matlock, Eugene Fisher, Keith Martin (chairman), Thomas Wilkinson, James Hittle, and President Heinrich.

Administrators Are Changed

New administrators on the campus this year included Phil Arnold, dean of finance and operations, and Ted Albright, director of buildings and grounds.

Other administrative changes were made with Curt Shipley moving to the directorship of the social science division from the athletic director's post. Phil Anderson moved into the AD's slot from being the assistant to the director of student services.

Dr. Larry Devane, former dean, was named vice-president of the college, which places him in college command in the absence of President Carl Heinrich.

Faculty Grows

Approximately 77 full-time contract teachers taught on the Butler campus and at outreach points including McConnell Air Base this year. These instructors were supplemented by almost twice that number of part-time instructors.

Six new nursing instructors who are women swelled the number of women instructors who were outnumbered by men by a more than two to one ratio.

Five division chairpersons direct the instructional personnel, and they also teach on a reduced load basis.

Two full-time faculty members were on sabbatical leave.

Several of the "part-time" instructors taught full loads and overloads.

ROY SEYMOUR, a popular campus employee for 17 years, is retiring this year. Even though he officially goes to work at 3 p.m., you cannot set your watch by him because he often arrives early.

Roy, Long-Time Custodian To Retire

Friend to everyone on the campus, Roy Seymour will leave his custodian post when he retires in July. For seventeen years he has been more popular than a candy store owner with faculty and students alike.

Roy stepped down from his post as head custodian this year but continued to maintain the Library building in its usual immaculate style. Roy does not want to retire but is forced to do so because he is past 70 years of age.

Through the years, journalism students developed a special kinship with Roy and vice versa because he was always around and would drop in for a chat during the many late night hours when the students were working on deadlines for the paper or yearbook.

Roy loathed litter but gracefully suffered the agony of defeat when it came to Bill Bidwell and Jo Rogers and their paper, magazine, and book strewn journalism quarters. He

would come into their rooms laced with determination to have a showdown about the "junk" but would usually end up sharing a cigarette and a good laugh with them.

Roy feels close to the campus because he helped move the college from the old location to its present campus. He remembers when the parking lots were mudholes and how the first floor of the Library was originally designed to be the Student Union.

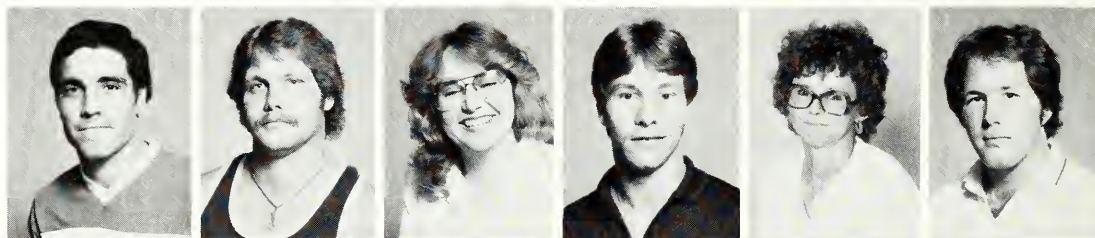

After the journalism people moved into the new 100 building, Roy claimed things were dull in the Library and that he missed the journalists, a statement that could be interpreted to mean that he enjoyed mopping up spilled coffee and listening to high decibel music and primal screams.

Roy enjoys the energy of youth and observes the lessons they teach.

Great Moments . . .

Great moments for the students during a college year are not necessarily momentous times. Sometimes great moments are just the little things in life that give pleasure. Having their great moments are: Henry Ford slam-dunking, Stacy Evans trying to roller skate with the help of Sean Wallace, and the football team having 'June in January' at a basketball game. In this the year of the great recession, Butler students found their pleasures in the simple and inexpensive great moments.

Dillard

Acknowledgments

This year was one of changes put into effect. First-time workers took over new jobs as did veteran employees. Last year's changing times made this year interesting and unique.

We hope the year was successful for you and hope you will treasure the memory of it for years to come.

Most of all, we hope this yearbook will serve as a tool to help you remember 1982-83: the sad moments, the happy moments, the fun moments, and especially, the great moments.

Lion Has History

Members of the drama department presented the historical play, "The Lion in Winter," at the end of the first semester with Larry Peters directing.

The plot concerns the story of the struggle for power in the royal family of Henry II. He plots and deals to leave his sons with a balance of power which keeps his kingdom in one piece. Henry II's marriage with Eleanor of Aquitaine crumbles and in Eleanor's place is Alais, a young French princess. Alais is betrothed to John, the youngest of Henry's sons. The wedding has not taken place since she is mistress to Henry. Phillip, the king of France, comes to England demanding the marriage take place. Thus the stage is set as three sons vie for power, Eleanor pushes for Richard, the eldest son, for king, Phillip deals for his sister to be wed, Alais fights to be with her Lover, Henry, and Henry battles them all.

The cast members, all students on campus, and the roles they played included:

Henry II, Scott Dean Kitzenberger
Alais, a French princess, Elizabeth Cott
John (youngest son), Peter Wayne Henderson
Geoffrey (middle son), David Erwin Leeper
Richard Lionheart (oldest son), Robert Blanken
Eleanor of Aquitaine (Henry's wife), Pat Burch Philip,
King of France, Jack Smith

Stephen M. Johnson was assistant director of the play.

"The Lion in Winter" was presented on the Fine Arts stage for its three production nights.

'Tom' Spans Ages

"The Adventures of Tom Sawyer's" BCCC's children's production spanned the ages and audiences very well, commented Larry Peters, theater director. "This show transcended to adult audiences better than most children shows."

Peters, director of theater for five years, says that he is doing what he always wanted to do: "The most important thing to me is the educational opportunities it offers to our students in theater production and the growth and challenges they experience."

Peterson Produces Own Show, 'First Boy'

"A nice realization of a dream," commented Robert Peterson, playwright and director of "First Boy," presented during the spring semester. Peterson found less pressure in producing his own show, for he did not have to interpret another author's ideas and characters.

The play was based on six years in the life of the son of a fictional president of the United States.

All the action of the play took place in Alex's room in the White House because it was his story and unfolded in his world.

Cast members included David Heinrich who portrayed Alex; Michelle Banks as Jayne Harris; Nelson Warren as Father Johanmeyer; David Leeper as Joe; Peter Albright as Don Manfred; Bill Hoffman as Hans; Art Tighe as Fritz; Todd Schwartz as Hardin; Don Gilliland as Becannon; Lee Dowers as Johnson; Pearl Reiswig as Thomas; Gina Austin as Holly Hoy; Elizabeth Cott as Marcia Kaye; Shelly Crawford as Regina Marie; Michelle Nolan as the newscaster.

Lisa Rush was the stage manager.

Grizzlies Have Winning Season

Running For Honor

Paced by a freshman oriented team, the Grizzly runners had a powerful season. During the indoor season the track team did a good job. The season began on a positive note at the KU All Comers meet in Lawrence. One person qualified for Nationals, Vincent Scott in the long jump with a leap of 23'3½.

Coach John Francis said, "I am satisfied with everyone's performance. We have an exceptional team with many class kids on it."

The Grizzlies later qualified several for the national Indoor at Champaign Il. Mark Anderson was first in the 1000 yard run with a time of 2.13. Henry Ford won the high jump with a 7'2" jump. The two mile relay team of Tom Ridder, Tyrone Forbes, Donnie Wilson, and Anderson took first with a school record time of 7:42.78. Others placing at the meet included: Jamie Holland; long jump, fifth, 23'7½"; and

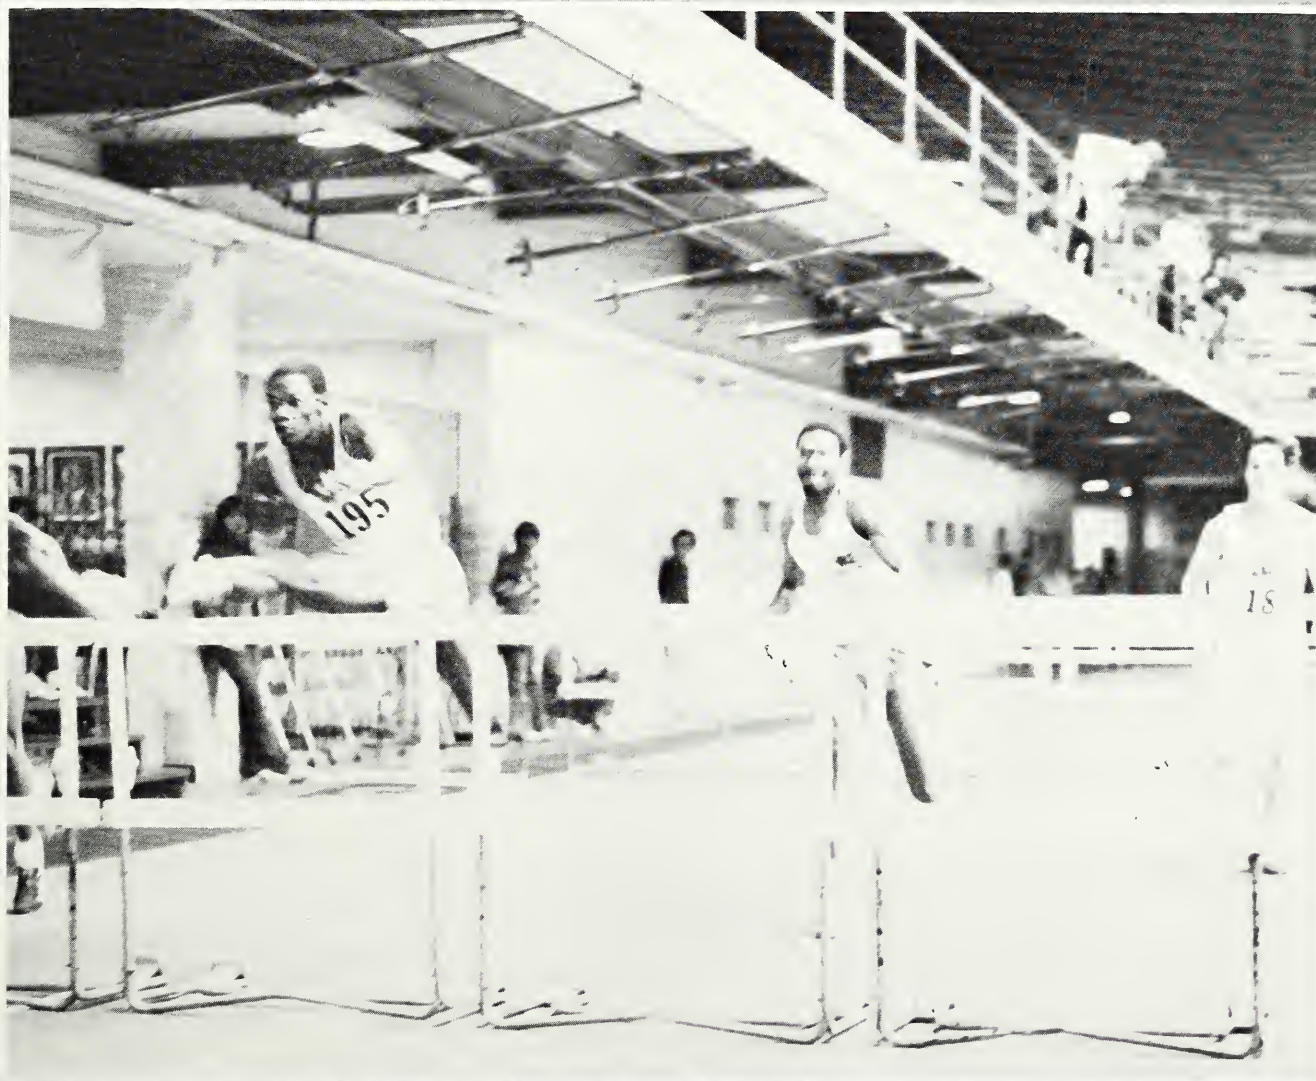

Ford; fourth, 23'¾"; Derek Cole; third, in the 60 yard hurdles with a time of 7.61. Forbes did not place at the meet, but set a school record in the 600 yard run with a time of 1:12.19.

By the time the outdoor season came rolling along the Grizzlies were red hot. The Grizzlies never placed, as a team, less than third place.

There were four All-Americans this year; Cole, Holland, Forbes, Anderson.

Those qualifying for nationals outdoor at San Angelo, Tx. were Anderson, 800m, mile relay; Cole, 110m hurdles, 400m relay; Byron Davis, 400m relay, mile relay; Forbes, 400m, mile relay; Ford, high and long jump; Holland, 100m, 400m relay; Scott 400m relay; Wilson, mile relay.

Leading the pack in the photo below is All-American Derek Cole showing his great style.

Everyone's A Winner, Good And Getting Better

This was a year for school records to be broken and set. That is exactly what the Lady Grizzlies team did.

The women's team sent two to the National Indoor meet at Champaign Ill., Tammy Martin; 60 yard hurdles and Stephanie Travinchek in the shot put. Travinchek became the first Lady Grizzly ever to win a national title, throwing a 42¼" in the shot put.

The spring season was a time of tribulation; some of the meets were cancelled. Despite the hard times the women did a good job. The WSU relays was a great moment for breaking school records. Charlette Purcell placed fourth in the

800m run, but, set a school record of 2:32.5 and Tammy Hodges, Martin, Kay Ross, Purcell placed seventh in the 400m relay, but set a record of 52.9. The Jayhawk Conference meet was a time for setting school records; Becky Alpers ran an astonishing 11:09 in the 3000m run, placing first to be named a conference champion, and she set a record in the 1500m run, 5:05.36 taking second place, and a 20:09 in the 5000m, school record. Kay Ross set records in the 200m dash and the 100m dash, 26.2, 12.5, respectively.

Travinchek will represent BCCC at the Nationals Outdoor in San Angelo, Texas.

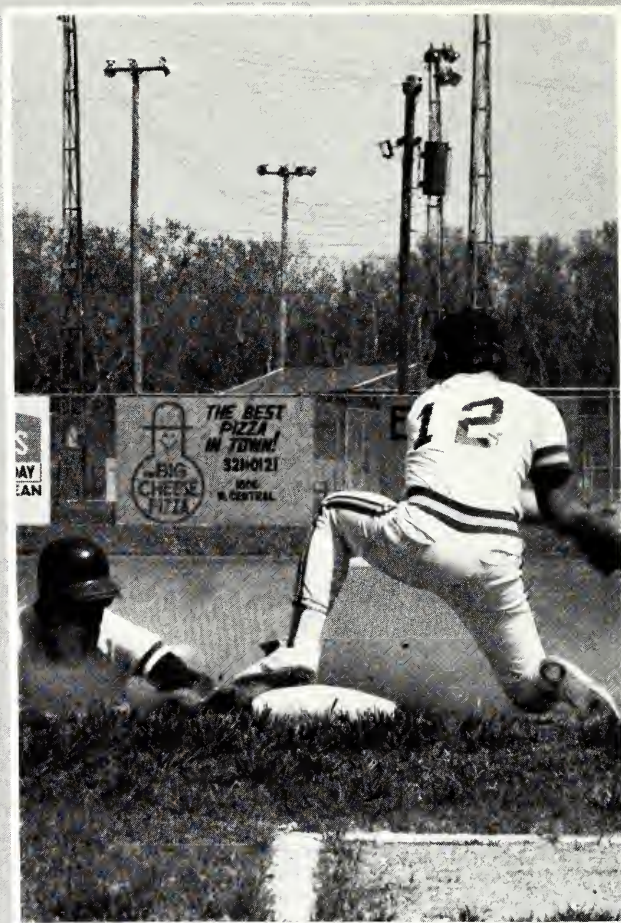

COMPLETING HER TURN in the relay is distance runner Jody Wells while her teammates on the bench, Sean Fox and Robert Johnson, look on to

make sure that she runs out her leg. The women had the most highly successful season in women's track history at BCCC.

Baseball Ends 16-10 Despite Problems

The Grizzly baseball team ended its season with a 16 and 10 record after having to undergo some major changes mid-season when head coach Phil Anderson resigned under pressure.

Anderson resigned, packed up, and left the same day leaving the team with Vernon Orndorff, parttime assistant coach. Anderson was also the college's athletic director. The administration appointed Rob Bolks as head coach and he continued the season with Orndorff staying on as assistant coach.

The Grizzlies went into the conference tournament as number one seed but finished fourth in the actual play.

Joel Basinger led the batting with an average of .404 followed by Cory Lewis with .385. Three pitchers, Chuck Vaught, Rick Hess, and Jerry Krueger had percentages of .750.

Team members included: Mike Buss, Cory Lewis, Mike Stephens, Doug White, Jerry Krueger, Mitch Benton, Rick Schroeder, Joel Basinger, Jeff Johnson, Kyle Orndorff, Tony Reynolds, Kent Jost, Scott Sherman, John Oberlechner, Ron Foster, Chuck Vaught, Rick Hess, Scott Cain, Jerry Krueger, John Seaton, Ed Kelley, Fred Oberlechner, Darren Stroud, Kyle Orndorff.

The baseballers travelled to Arizona for spring practice with then head coach Anderson. Reportedly some of Anderson's problems with the administration stemmed from this trip and complaints from team members about expense money, how it was gained and how it was spent.

The Board of Trustees had only the prior spring elevated Anderson to the athletic director position.

Softball Finishes 12-7

The women's softball team finished the year with a record of 12 and 7 under the direction of Coach Debbie Sawtelle.

"We started out really great this season with wins over St. John's and Hesston. I have been really pleased with our pitching and hitting," said Coach Sawtelle.

Two of the more spectacular wins included those over Garden City with 22-9 and 18 and 1.

The team was a young squad with only three sophomores. This fact should warrant a strong team for next year also the coach pointed out.

WOMEN'S SOFTBALL squad members include (bottom row from left) Barbara Reidmiller, Melanie Crow, Alyson Neely, Becky Barnett. Top row, Jo Stuber, Wanda Parker, Kathy Metz, Brenda Walton, Jon Bohannon, Valerie Dukat, Kathleen Gutierrez, Coach Debbie Sawtelle. Two place at Rodeo

Two members of the College rodeo team placed at Southwestern Oklahoma State University, Wetherford, Okla., at the rodeo held there Thursday through Saturday.

Troy Hedrick placed third in team with Brian Shirley, Dodge City Community College with a time of seven seconds. The winning time in this event was 6.3 seconds, with 67 teams competing.

Gayle Osborn won fifth place in the barrel racing competition with a time of 16.9 seconds. The times were extremely close, with the winning time being 16.8 seconds.

The team will be competing at Fort Hays State University Friday through Sunday and complete their spring season at Dodge City Community College May 6 through 8.

Men lose final heartbreaker

Netters Improve

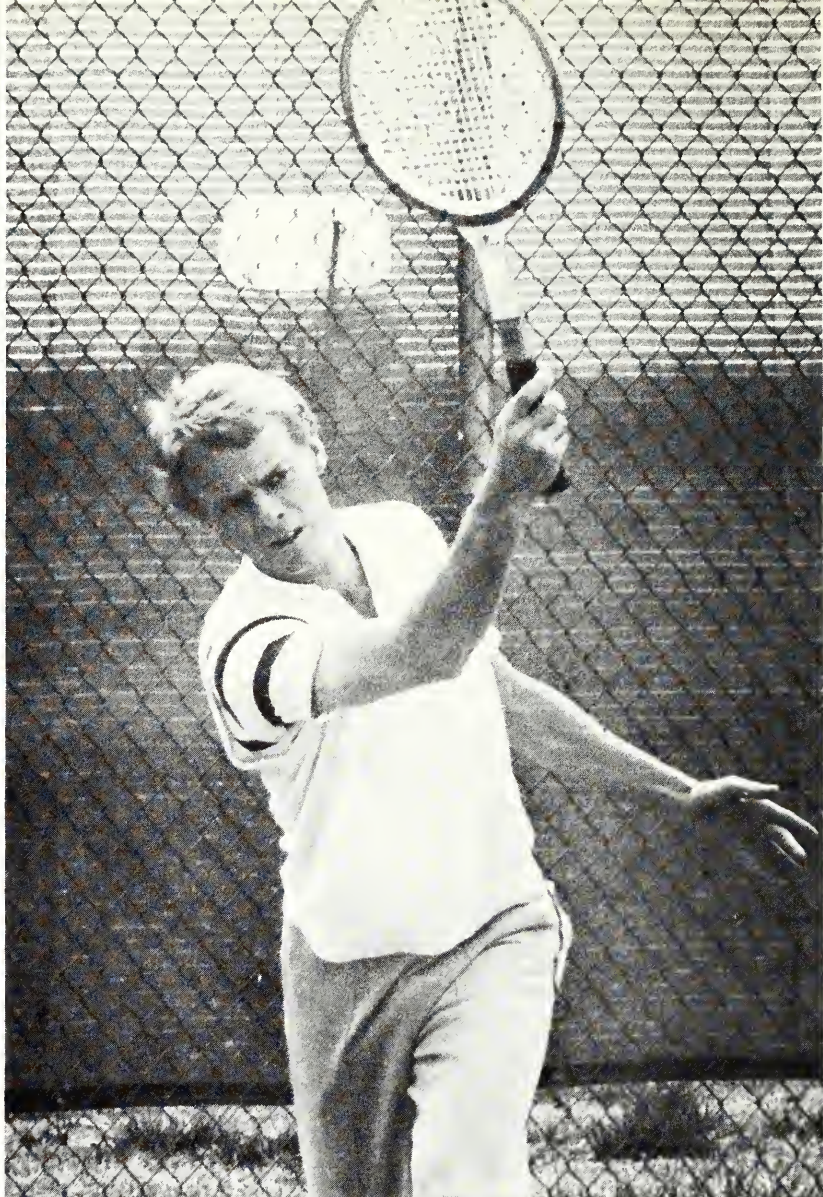

The 1983 season of the men's and women's tennis teams cannot be looked upon as a "let-down." It was not that bad of a season considering. Considering what? Considering that the weather was so bad that the players had to practice in the snow; or could not practice for nearly a week because of rain. And considering the lose of two "hopefuls" from the team.

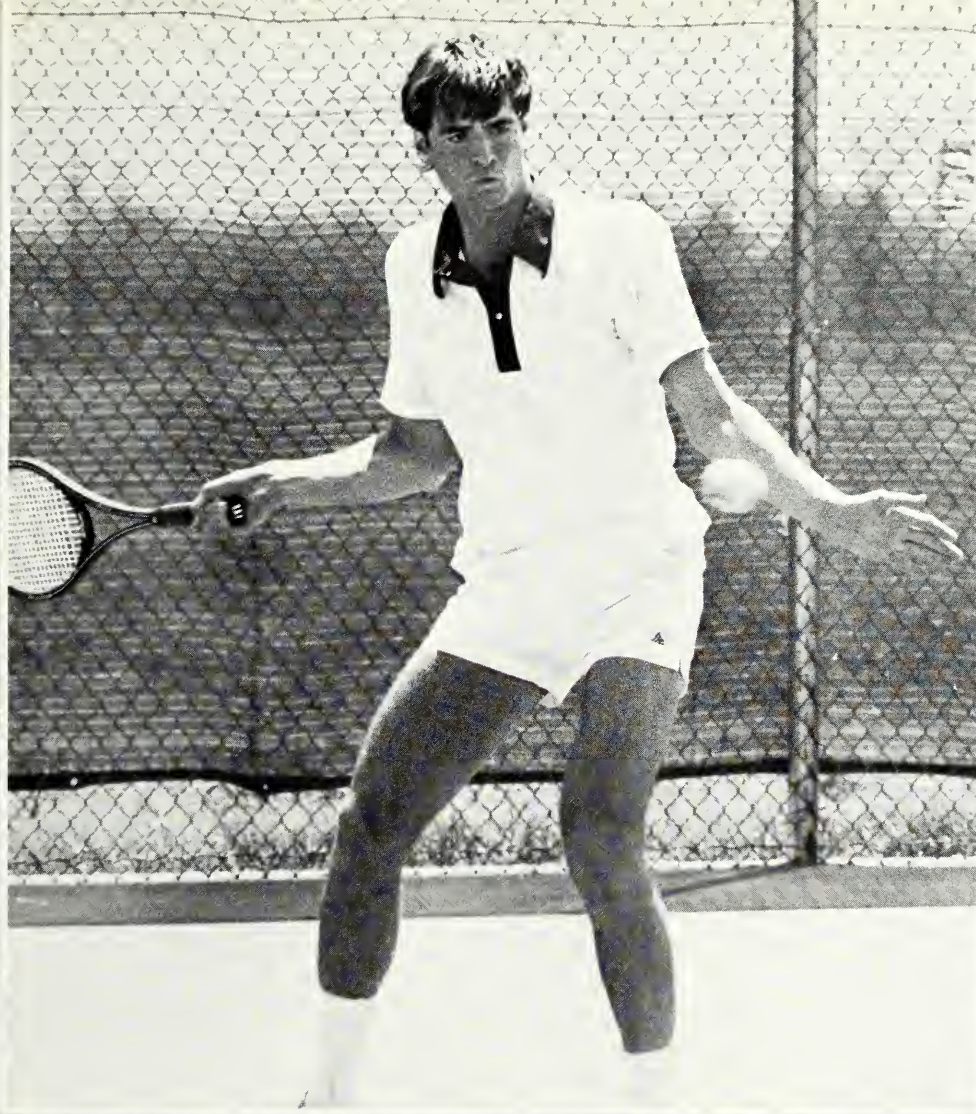

Head coach Curt Shipley said of the season, "It was the kind of season that you can't complain about. We lost some matches that we should have won. But, I feel good that each one of the players on the team improved their game throughout the season."

The team's overall record was 3 wins and 4 loses. And Roger Joyce, who played at the number one position throughout the year, was the only member of the team to compile a winning personal record (6 wins, 3 loses).

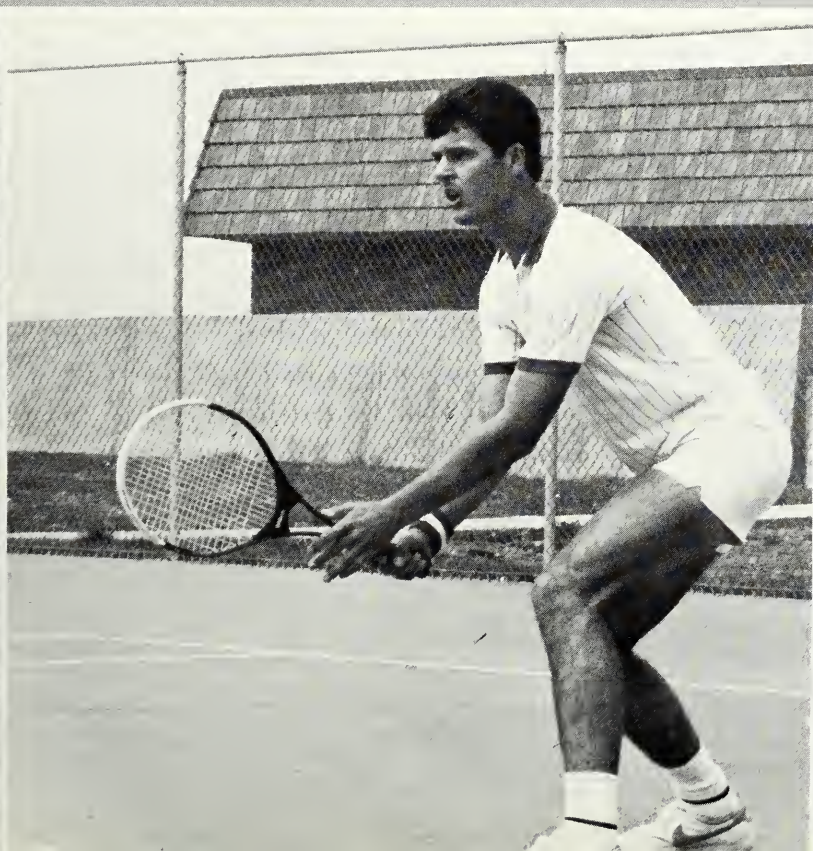

The men's tennis team consisted of Roger Joyce, Monte Watts, Tony Brewster, Tim Walters, Chris Heidebrecht, Chris Birdwell, and Robert Hoover. The women's team was made up of Stephanie Shipley, Lenda Sheriff, Anita Jacob, and Denise Winzer. Curt Shipley was the head coach and Lynn Havel was the assistant coach.

Going All The Way

At the end of the Grizzlies golf season, the team had produced a conference champion, Curt Pruitt. The team finished second overall in the Jayhawk juco conference.

The team had a very good fall season. At the first meet at the Cloud County Invitational the Grizzlies finished an awesome first place out of thirteen teams with Thad Purslow taking second place medalists honors. The first conference meet was held at Hutchinson where the Grizzlies came out with a disappointing third place finish with Curt Pruitt bringing home the silver medal.

After Christmas break the Grizzly golfers were looking forward to a good spring season. But, when the Grizzlies traveled to Fort Smith, Arkansas, they did not expect to place a disillusioned fourth place. When they returned to Kansas they had some real good meets never finishing less than second place. Curt Pruitt took home three first place medals during the spring season.

Two Grizzlies Thad Purslow and Jamie Wolfe will be representing the Grizzlies at nationals in LeHigh, Florida.

Felix Adams coached the linksmen.

Intramurals End With Successful Season

Softball and basketball tied for first in intramural student participation with 128 students involved in each. 424 students were involved in spring intramurals, twice as many as in the fall, totaling 652.

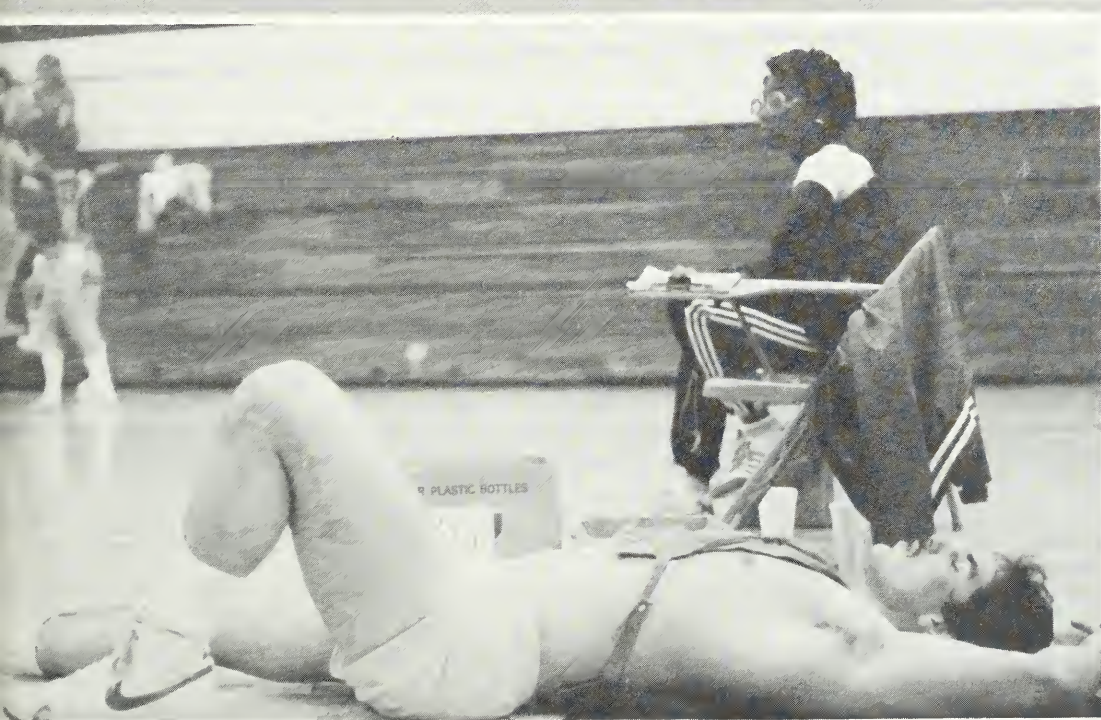

The intramurals All-Star award is given to the twelve students who have earned the most points throughout the entire year. This year's All-Stars were Ken Palmer, Robert Hoover, Jeff Nachbor, Dion Noblitt, Rick Remsberg, John Guinotte, Keith Leddy, Mark Berenson, Jim Kitch, Dave Mellinger, David Scott Coble, and Eugene Pascal. Gold shirts were awarded to high scorers.

Rough-n-Rowdy placed first in the softball tournament with an 8-1 series. Members included Keith Leddy, Teresa Rowland, Kathy Weaver, Janice Martin, Dale Pauly, Jeff Neighbor, Brent Wolke, Jim Kitch, Andy Massoth, Lavina Moore, Rick Siebert, Mike Kerns, Billy Cotton, Mark Berenson, and Wendy Tannahill.

The Silver Bullets including captain Lenda Sheriff, Carla Hinz, Kelly Duvanel, Becky Barnett, Diane Alexander, Cynthia Thrasher, and Melisa Unger dribbled their way to first place in the women's basketball intramurals. Brent Cottrell's team (Brett Adair, Brian Rehm, Kurt McCune, John Alley, Rick Smith, Scott Kiser, and Jeff Martin) won first place in the men's division.

Mixed league bowling winners were Tim Guinotte, John Guinotte, and Jeanette Malone. John scored high series; Joan Dains, women. Spencer Guoladdle had high ame for men; women, Jackie Fischel. Jackie and John Beal won mixed doubles. Jay Osborne and Scott Sherman shot to win the doubles pool championship. Mike Buss won the singles trophy.

Ken Palmer was the singles table tennis champion. Momin Mahmud won the singles badminton. Joe Heenen was intramurals golf champion.

School Holds Space Expo

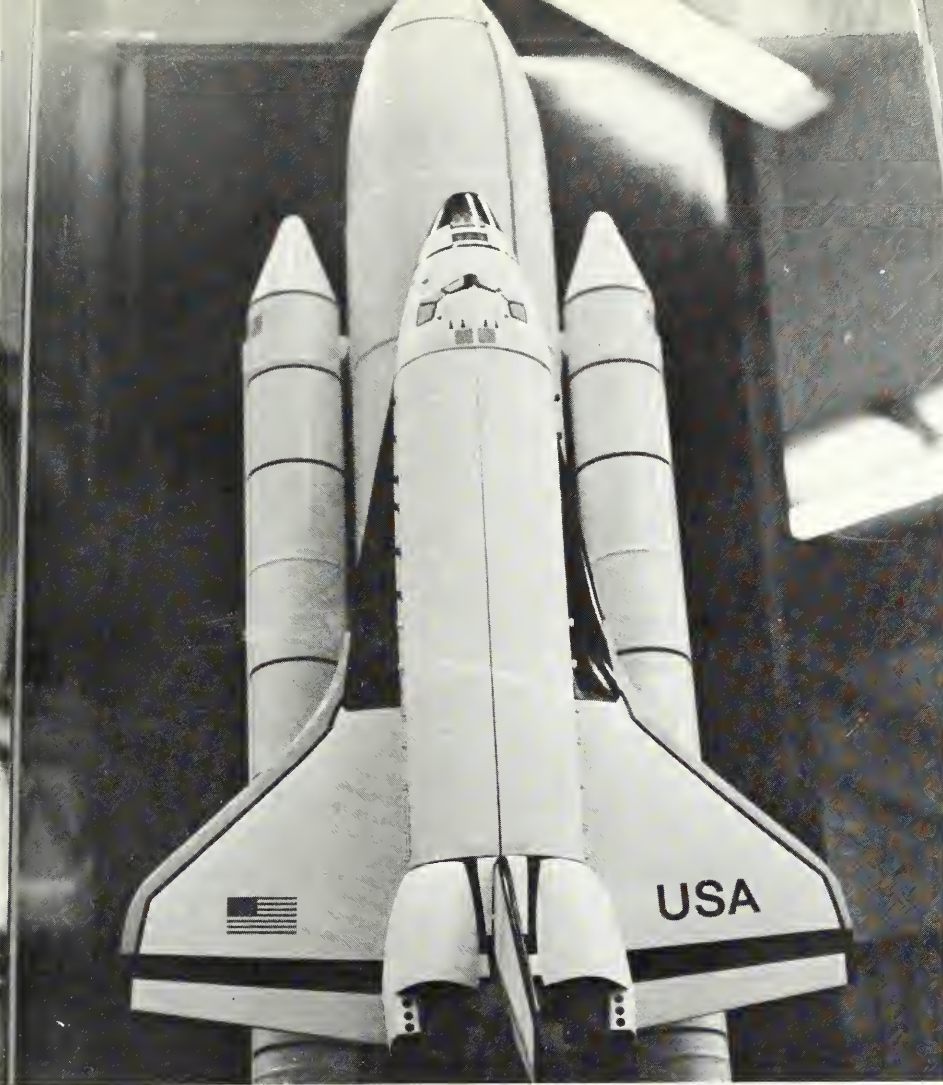

The second annual excursion into history was held at BCCC in late April. The program included speakers with other events going on at the same time.

Included in the program were exhibits from the Smithsonian Institute; ten films on various facets of flight and current space exploration; original balloons, kites, and artwork by faculty and students from BCCC; civilian, military, and experimental aircraft.

The 125th Observation Squadron had a reunion throughout the day at the Elks lodge in El Dorado.

Other special events such as parachute jumps were cancelled because of adverse weather.

Butler Students Are Awarded Honors

BCCC students received many trophies, awards, and certificates throughout the year.

PAULA HARMS became the new Miss Butler County 1983 and earned the opportunity to compete at the Miss Kansas Pageant held in Pratt.

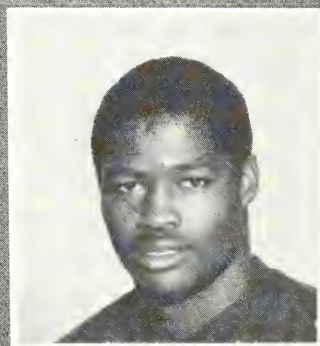

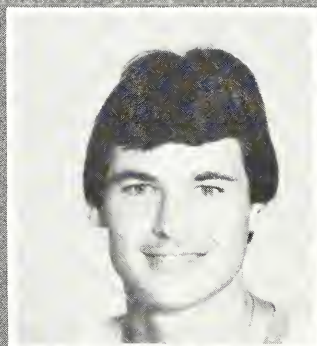

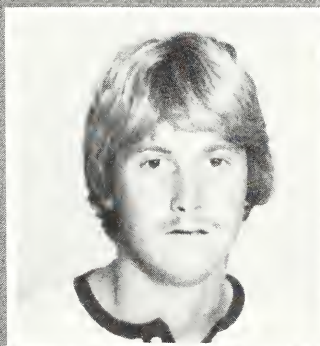

JEFF NOLL earned a first place finish in the Employment Interview Contest- Crop Production Division while competing in the National Postsecondary Agricultural Student organization Conference in Sioux City, South Dakota.

SHELLY HODGES was named the top judge at the World Quarter Horse Show in Oklahoma City competing on Butler's judging team.

JOE LINOT, SHELLY HODGES, SCOTT GRYDER, and KENT McCUNE, members of the college's judging team, took first place at the World Quarter Horse Show held in Oklahoma City.

LESMES BOADA and MITCH FABRY took two first places in the Kansas Association of Journalism Advisers (KAJA) contests April 22 in Hutchinson.

BUTCH BERRY and EARL WALKER were named to the All-Jayhawk JuCo Conference team in basketball.

STEPHANIE TRAVINCHEK became the first Lady Grizzly ever to win a national title with a school record throw in the shot put.

The men's indoor track team captured sixth place at the National Indoor Meet held in Champaign, Illinois. Five members of the team won national titles.

MARK ANDERSON was first in the 100 yard run.

HENRY FORD won the high jump with a 7 $\frac{1}{4}$ " leap.

TOM RIDDER, TYRONE FORBES, DONNIE WILSON, and MARK ANDERSON, members of the two-mile relay team, took first with a school record time of 7:42.78.

CURT PRUITT won the conference golf title and was named to the All-Conference team.

Top Students Are Recognized

Candidates for the Order of the Purple were honored at a banquet on May 13 in the Student Union cafeteria. Mary Roberts, speech instructor at Pittsburg State University, was guest speaker at the annual dinner.

Students who have a 3.25 grade point average or better upon graduation are now honored with membership in this elite group at commencement. Next year, to be eligible, students will be required to have a 3.5 grade point average and at least thirty hours of college work.

The Order of the Purple recognizes students for outstanding scholarship, leadership, service, and character. The first group of seven students was inducted in this society in the spring of 1937. This year 94 students were nominated for this honor.

ACADEMIC ACHIEVEMENT at Butler is recognized when the students are honored at the annual Purple Dinner. Three students who were honored this spring are (from left) Tod Trekell, Rachel Seager, and Chuck Vaught. UPPER LEFT, Dung T. Ma and Tong B. Nguyen and families enjoy the dinner. Graduates Look To Future

On May 14, nearly 500 Butler County Community College students walked across the stage to receive their diplomas. Graduates, faculty, family, and friends packed the fieldhouse for the commencement ceremonies.

Frank Gaines, 16th District state senator from Augusta, gave the commencement address after being introduced by President Carl Heinrich.

Keith Martin, chairman of the Board of Trustees, presented the class members with their degrees.

Special music was performed by BCCC's brass ensemble, the college choir, and the ladies' ensemble.

Lion Has History

Members of the drama department presented the historical play, "The Lion in Winter," at the end of the first semester with Larry Peters directing.

The plot concerns the story of the struggle for power in the royal family of Henry II. He plots and deals to leave his sons with a balance of power which keeps his kingdom in one piece. Henry II's marriage with Eleanor of Aquitaine crumbles and in Eleanor's place is Alais, a young French princess. Alais is betrothed to John, the youngest of Henry's sons. The wedding has not taken place since she is mistress to Henry. Phillip, the king of France, comes to England demanding the marriage take place. Thus the stage is set as three sons vie for power, Eleanor pushes for Richard, the eldest son, for king, Phillip deals for his sister to be wed, Alais fights to be with her Lover, Henry, and Henry battles them all.

The cast members, all students on campus, and the roles they played included:

Henry II, Scott Dean Kitzenberger

Alais, a French princess, Elizabeth Cott

John (youngest son), Peter Wayne Henderson

Geoffrey (middle son), David Erwin Leeper

Richard Lionheart (oldest son), Robert Blanken

Eleanor of Aquitaine (Henry's wife), Pat Burch Philip, King of France, Jack Smith

Stephen M. Johnson was assistant director of the play.

"The Lion in Winter" was presented on the Fine Arts stage for its three production nights.

'Tom' Spans Ages

"The Adventures of Tom Sawyer's" BCCC's children's production spanned the ages and audiences very well, commented Larry Peters, theater director. "This show transcended to adult audiences better than most children shows."

Peters, director of theater for five years, says that he is doing what he always wanted to do: "The most important thing to me is the educational opportunities it offers to our students in theater production and the growth and challenges they experience."

Peterson Produces Own Show, 'First Boy'

"A nice realization of a dream," commented Robert Peterson, playwright and director of "First Boy," presented during the spring semester. Peterson found less pressure in producing his own show, for he did not have to interpret another author's ideas and characters.

The play was based on six years in the life of the son of a fictional president of the United States.

All the action of the play took place in Alex's room in the White House because it was his story and unfolded in his world.

Cast members included David Heinrich who portrayed Alex; Michelle Banks as Jayne Harris; Nelson Warren as Father Johanmeyer; David Leeper as Joe; Peter Albright as Don Manford; Bill Hoffman as Hans; Art Tighe as Fritz; Todd Schwartz as Hardin; Don Gilliland as Becannon; Lee Dowers as Johnson; Pearl Reiswig as Thomas; Gina Austin as Holly Hoy; Elizabeth Cott as Marcia Kaye; Shelly Crawford as Regina Marie; Michelle Nolan as the newscaster.

Lisa Rush was the stage manager.

Grizzlies Have Winning Season Running For Honor

Paced by a freshman oriented team, the Grizzly runners had a powerful season. During the indoor season the track team did a good job. The season began on a positive note at the KU All Comers meet in Lawrence. One person qualified for Nationals, Vincent Scott in the long jump with a leap of 23'3½.

Coach John Francis said, "I am satisfied with everyone's performance. We have an exceptional team with many class kids on it."

The Grizzlies later qualified several for the national Indoor at Champaign Il. Mark Anderson was first in the 1000 yard run with a time of 2.13. Henry Ford won the high jump with a 7'2" jump. The two mile relay team of Tom Ridder, Tyrone Forbes, Donnie Wilson, and Anderson took first with a school record time of 7:42.78. Others placing at the meet included: Jamie Holland; long jump, fifth, 23'7½"; and

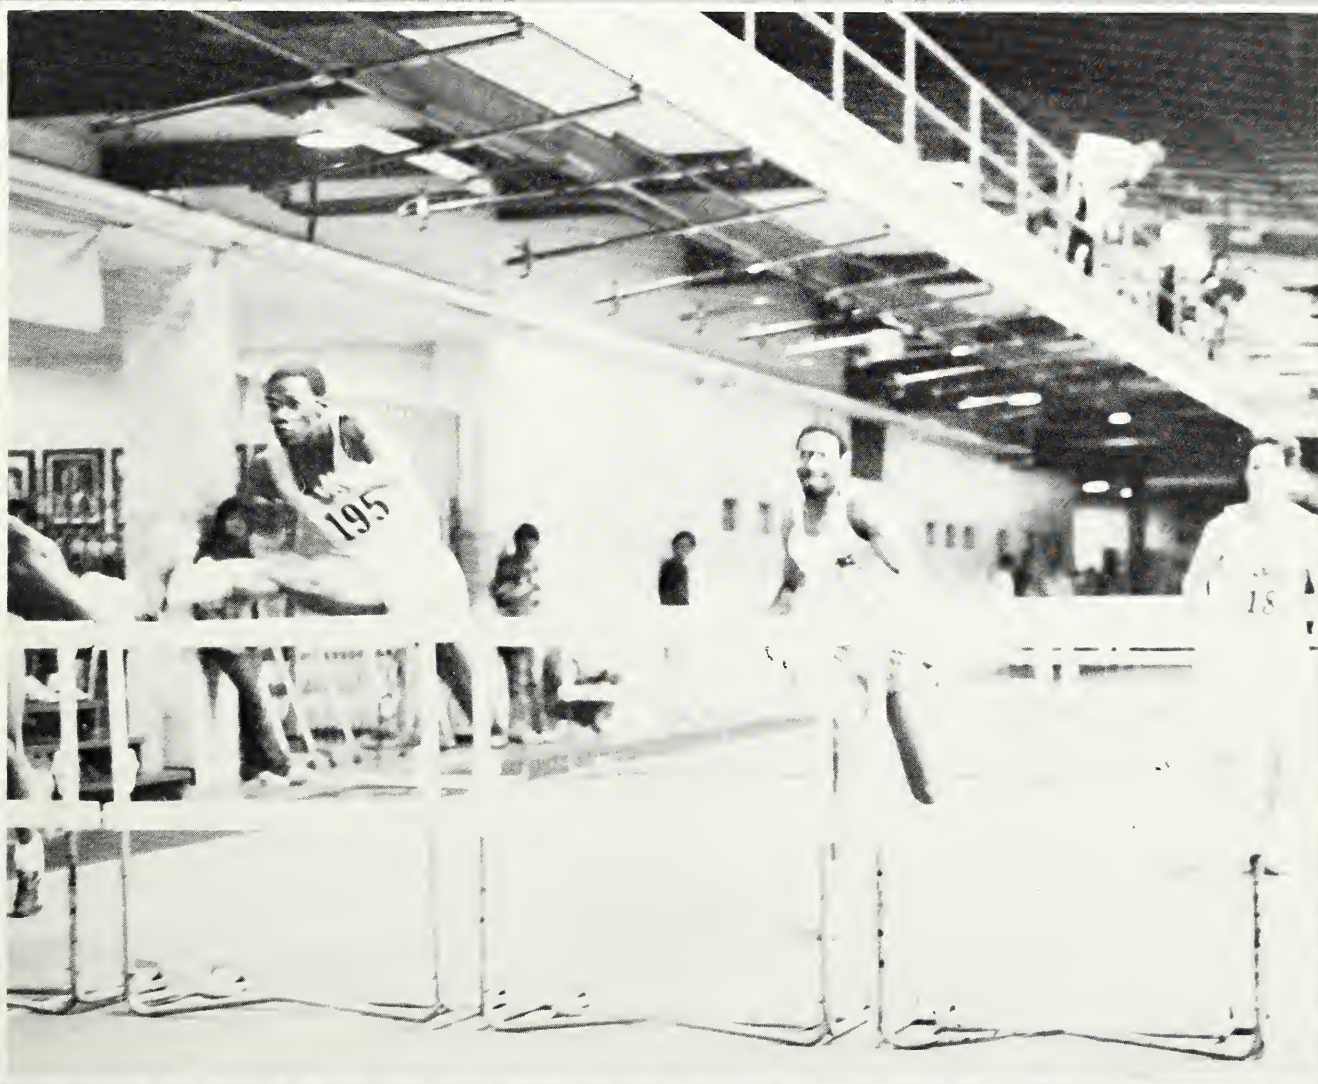

Ford; fourth, 23'¾"; Derek Cole; third, in the 60 yard hurdles with a time of 7.61. Forbes did not place at the meet, but set a school record in the 600 yard run with a time of 1:12.19.

By the time the outdoor season came rolling along the Grizzlies were red hot. The Grizzlies never placed, as a team, less than third place.

There were four All-Americans this year; Cole, Holland, Forbes, Anderson.

Those qualifying for nationals outdoor at San Angelo, Tx. were Anderson, 800m, mile relay; Cole, 110m hurdles, 400m relay; Byron Davis, 400m relay, mile relay; Forbes, 400m, mile relay; Ford, high and long jump; Holland, 100m, 400m relay; Scott 400m relay; Wilson, mile relay.

Leading the pack in the photo below is All-American Derek Cole showing his great style.

MIKE MCINERNEY (top photo) is going all the way up in the pole vault competition. Below, Vincent Scott, at an indoor meet, is pushing the runners. Jeff Becker cuts loose with old heave-ho at an indoor meet.

Everyone's A Winner, Good And Getting Better

This was a year for school records to be broken and set. That is exactly what the Lady Grizzlies team did.

The women's team sent two to the National Indoor meet at Champaign Il., Tammy Martin; 60 yard hurdles and Stephanie Travinchek in the shot put. Travinchek became the first Lady Grizzly ever to win a national title, throwing a 42¼" in the shot put.

The spring season was a time of tribulation; some of the meets were cancelled. Despite the hard times the women did a good job. The WSU relays was a great moment for breaking school records. Charlette Purcell placed fourth in the

800m run, but, set a school record of 2:32.5 and Tammy Hodges, Martin, Kay Ross, Purcell placed seventh in the 400m relay, but set a record of 52.9. The Jayhawk Conference meet was a time for setting school records; Becky Alpers ran an astonishing 11:09 in the 3000m run, placing first to be named a conference champion, and she set a record in the 1500m run, 5:05.36 taking second place, and a 20:09 in the 5000m, school record. Kay Ross set records in the 200m dash and the 100m dash, 26.2, 12.5, respectively.

Travinchek will represent BCCC at the Nationals Outdoor in San Angelo, Texas.

COMPLETING HER TURN in the relay is distance runner Jody Wells while her teammates on the bench, Sean Fox and Robert Johnson, look on to

make sure that she runs out her leg. The women had the most highly successful season in women's track history at BCCC.

Baseball Ends 16-10 Despite Problems

The Grizzly baseball team ended its season with a 16 and 10 record after having to undergo some major changes mid-season when head coach Phil Anderson resigned under pressure.

Anderson resigned, packed up, and left the same day leaving the team with Vernon Orndorff, parttime assistant coach. Anderson was also the college's athletic director. The administration appointed Rob Bolks as head coach and he continued the season with Orndorff staying on as assistant coach.

The Grizzlies went into the conference tournament as number one seed but finished fourth in the actual play.

Joel Basinger led the batting with an average of .404 followed by Cory Lewis with .385. Three pitchers, Chuck Vaught, Rick Hess, and Jerry Krueger had percentages of .750.

Team members included: Mike Buss, Cory Lewis, Mike Stephens, Doug White, Jerry Krueger, Mitch Benton, Rick Schroeder, Joel Basinger, Jeff Johnson, Kyle Orndorff, Tony Reynolds, Kent Jost, Scott Sherman, John Oberlechner, Ron Foster, Chuck Vaught, Rick Hess, Scott Cain, Jerry Krueger, John Seaton, Ed Ketley, Fred Oberlechner, Darren Stroud, Kyle Orndorff.

The baseballers travelled to Arizona for spring practice with then head coach Anderson. Reportedly some of Anderson's problems with the administration stemmed from this trip and complaints from team members about expense money, how it was gained and how it was spent.

The Board of Trustees had only the prior spring elevated Anderson to the athletic director position.

CHUCK VAUGHT pitches the way to another victory for the Grizzlies. Hanging tough in solidarity for the team are (front row) Kent Jost, (left to right) Kyle Orndorff, Doug White and Rick Schroeder who pose for teammate photographer Jerry Krueger.

Softball Finishes 12-7

The women's softball team finished the year with a record of 12 and 7 under the direction of Coach Debbie Sawtelle.

"We started out really great this season with wins over St. John's and Hesston. I have been really pleased with our pitching and hitting," said Coach Sawtelle.

Two of the more spectacular wins included those over Garden City with 22-9 and 18 and 1.

The team was a young squad with only three sophomores. This fact should warrant a strong team for next year also the coach pointed out.

WOMEN'S SOFTBALL squad members include (bottom row from left) Barbara Reidmiller, Melanie Crow, Alyson Neely, Becky Barnett. Top row, Jo Stuber, Wanda Parker, Kathy Metz, Brenda Walton, Jon Bohannon, Valerie Dukat, Kathleen Gutierrez, Coach Debbie Sawtelle. Two place at Rodeo

Two members of the College rodeo team placed at Southwestern Oklahoma State University, Wetherford, Okla., at the rodeo held there Thursday through Saturday.

Troy Hedrick placed third in team with Brian Shirley, Dodge City Community College with a time of seven seconds. The winning time in this event was 6.3 seconds, with 67 teams competing.

Gayle Osborn won fifth place in the barrel racing competition with a time of 16.9 seconds. The times were extremely close, with the winning time being 16.8 seconds.

The team will be competing at Fort Hays State University Friday through Sunday and complete their spring season at Dodge City Community College May 6 through 8.

Men lose final heartbreaker

Netters Improve

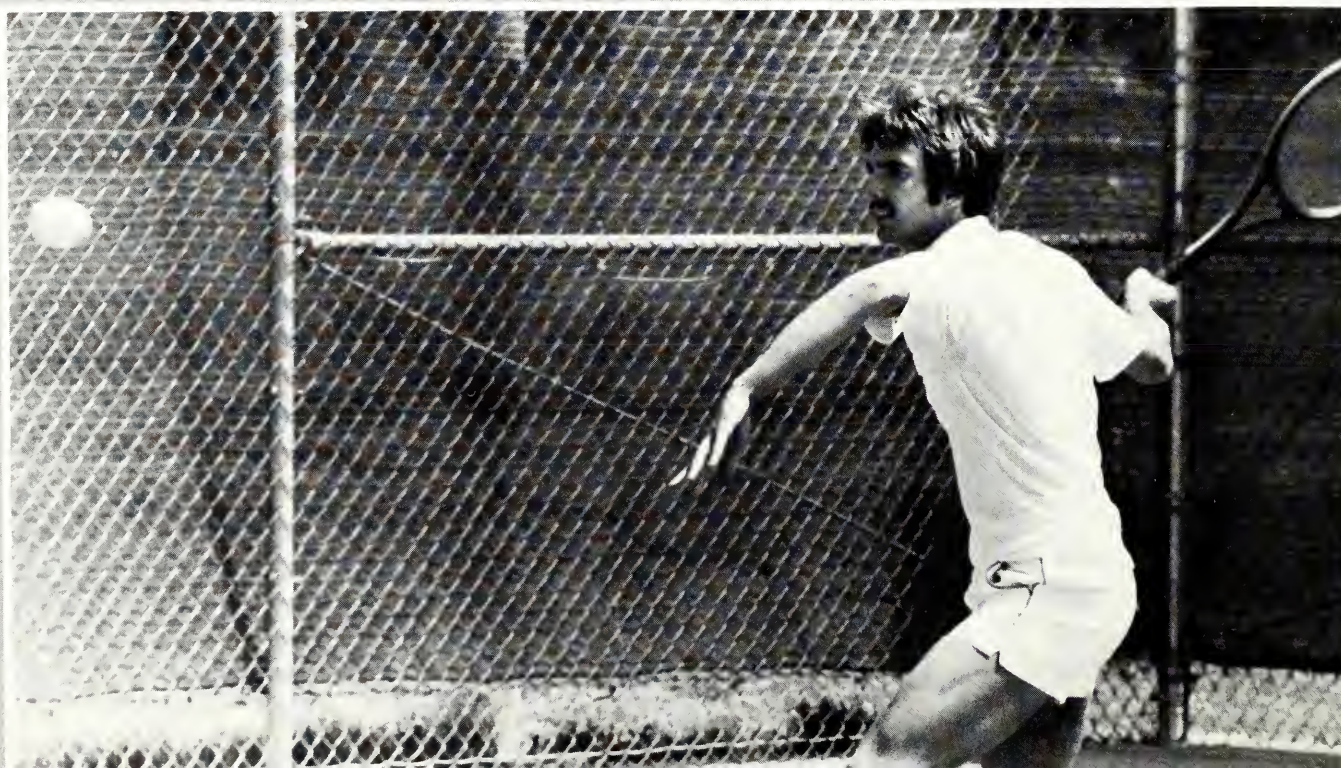

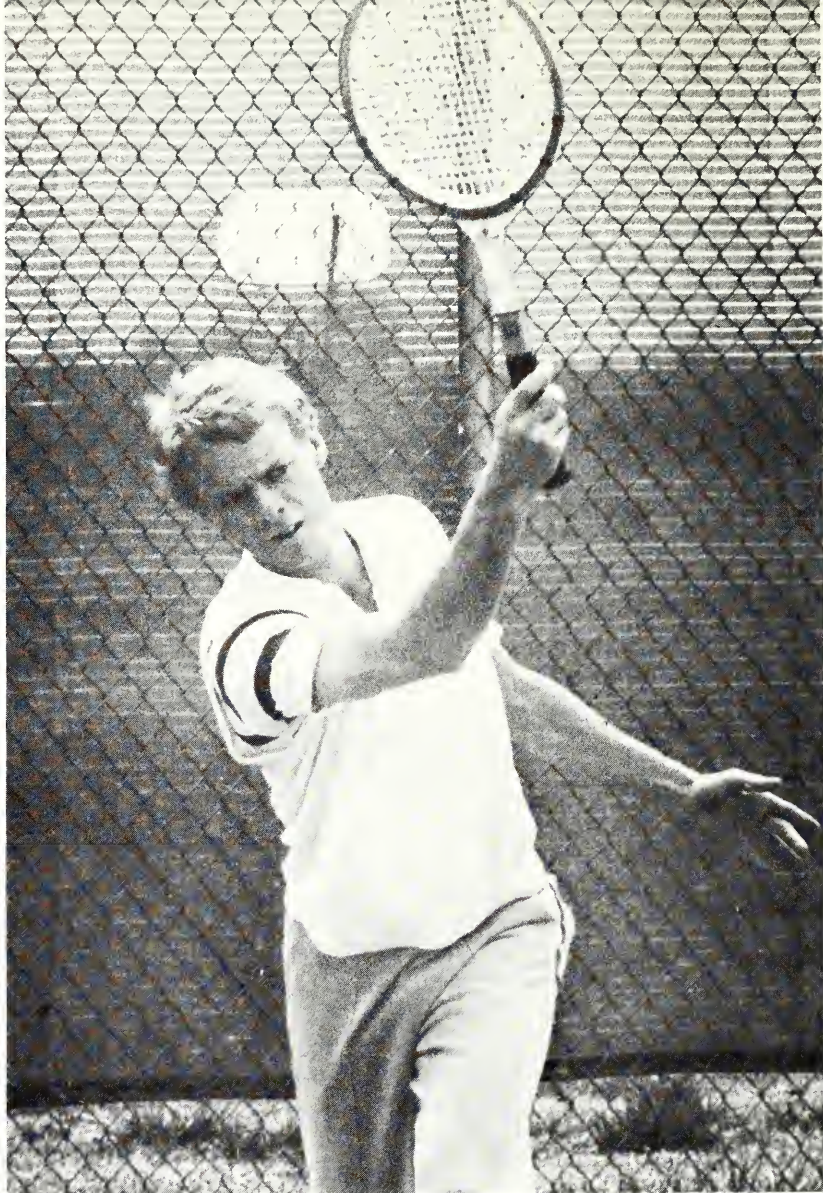

The 1983 season of the men's and women's tennis teams cannot be looked upon as a "let-down." It was not that bad of a season considering. Considering what? Considering that the weather was so bad that the players had to practice in the snow; or could not practice for nearly a week because of rain. And considering the lose of two "hopefuls" from the team.

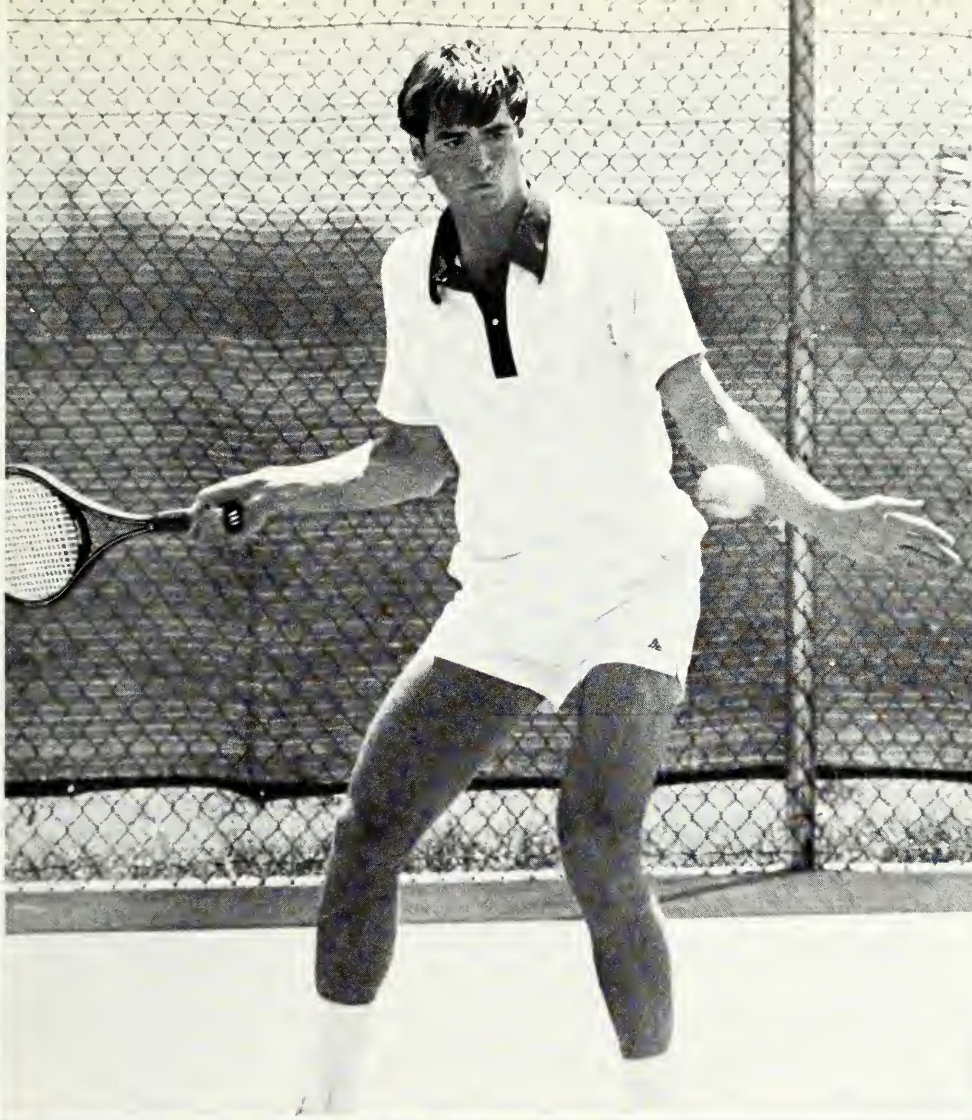

Head coach Curt Shipley said of the season, "It was the kind of season that you can't complain about. We lost some matches that we should have won. But, I feel good that each one of the players on the team improved their game throughout the season."

The team's overall record was 3 wins and 4 loses. And Roger Joyce, who played at the number one position throughout the year, was the only member of the team to compile a winning personal record (6 wins, 3 loses).

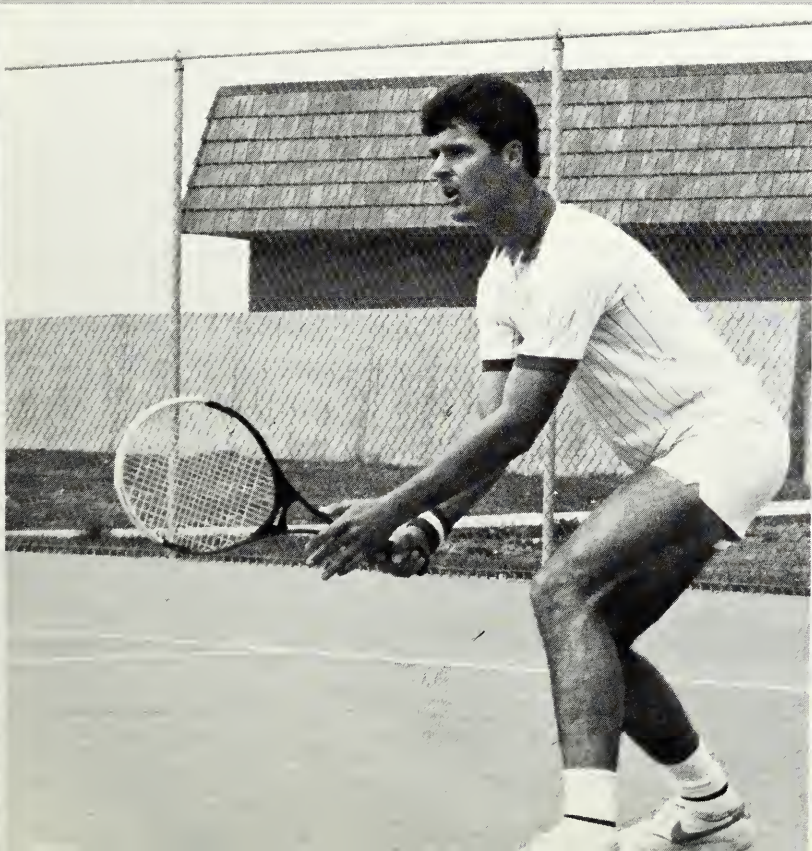

The men's tennis team consisted of Roger Joyce, Monte Watts, Tony Brewster, Tim Walters, Chris Heidebrecht, Chris Birdwell, and Robert Hoover. The women's team was made up of Stephanie Shipley, Lenda Sheriff, Anita Jacob, and Denise Winzer. Curt Shipley was the head coach and Lynn Havel was the assistant coach.

Going All The Way

At the end of the Grizzlies golf season, the team had produced a conference champion, Curt Pruitt. The team finished second overall in the Jayhawk juco conference.

The team had a very good fall season. At the first meet at the Cloud County Invitational the Grizzlies finished an awesome first place out of thirteen teams with Thad Purslow taking second place medalists honors. The first conference meet was held at Hutchinson where the Grizzlies came out with a disappointing third place finish with Curt Pruitt bringing home the silver medal.

After Christmas break the Grizzly golfers were looking forward to a good spring season. But, when the Grizzlies traveled to Fort Smith, Arkansas, they did not expect to place a disillusioned fourth place. When they returned to Kansas they had some real good meets never finishing less than second place. Curt Pruitt took home three first place medals during the spring season.

Two Grizzlies Thad Purslow and Jamie Wolfe will be representing the Grizzlies at nationals in LeHigh, Florida.

Felix Adams coached the linksmen.

Intramurals End With Successful Season

Softball and basketball tied for first in intramural student participation with 128 students involved in each. 424 students were involved in spring intramurals, twice as many as in the fall, totaling 652.

The intramurals All-Star award is given to the twelve students who have earned the most points throughout the entire year. This year's All-Stars were Ken Palmer, Robert Hoover, Jeff Nachbor, Dion Noblitt, Rick Remsberg, John Guinotte, Keith Leddy, Mark Berenson, Jim Kitch, Dave Mellinger, David Scott Coble, and Eugene Pascal. Gold shirts were awarded to high scorers.

Rough-n-Rowdy placed first in the softball tournament with an 8-1 series. Members included Keith Leddy, Teresa Rowland, Kathy Weaver, Janice Martin, Dale Pauly, Jeff Neighbor, Brent Wolke, Jim Kitch, Andy Massoth, Lavina Moore, Rick Siebert, Mike Kerns, Billy Cotton, Mark Berenson, and Wendy Tannahill.

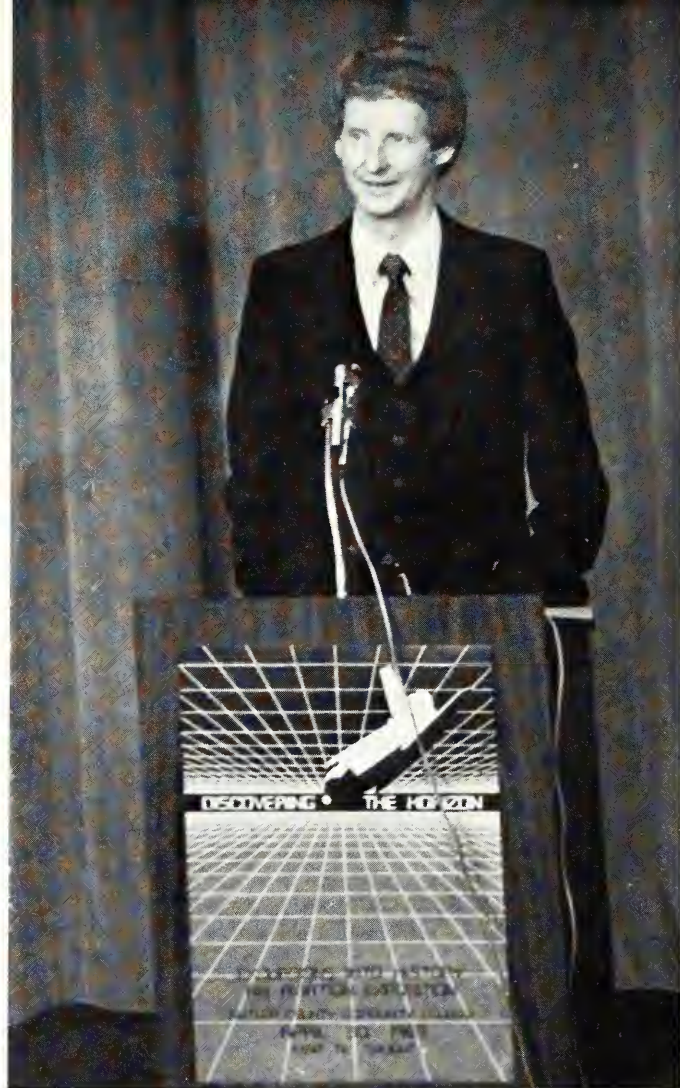

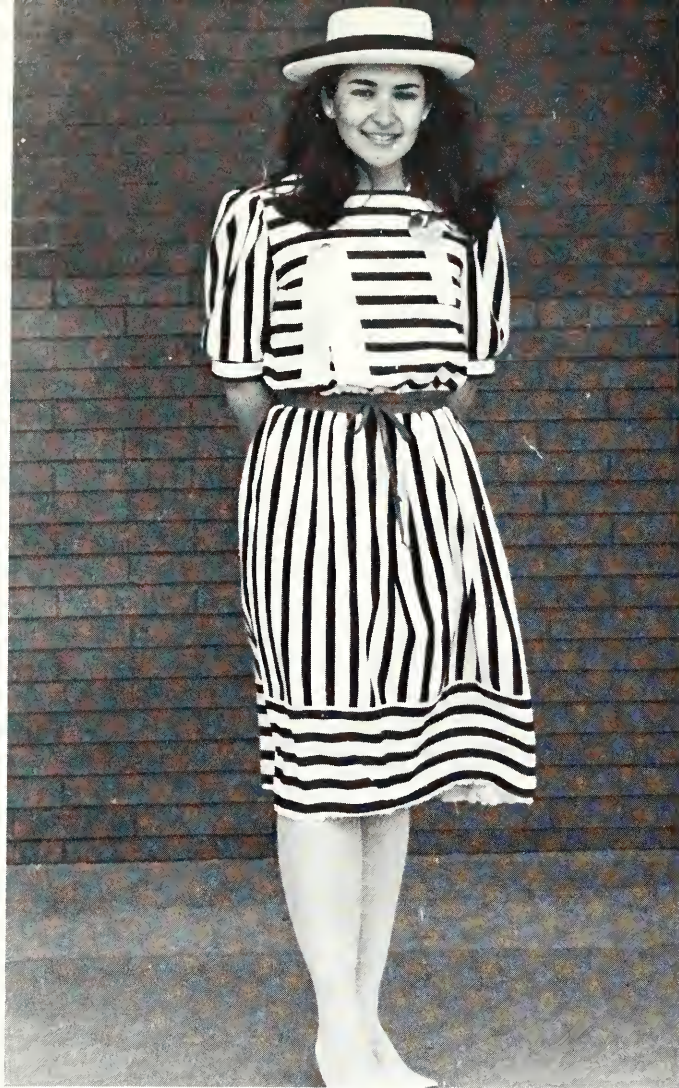

The Silver Bullets including captain Lenda Sheriff, Carla Hinz, Kelly Duvanel, Becky Barnett, Diane Alexander, Cynthia Thrasher, and Melisa Unger dribbled their way to first place in the women's basketball intramurals. Brent Cottrell's team (Brett Adair, Brian Rehm, Kurt McCune, John Alley, Rick Smith, Scott Kiser, and Jeff Martin) won first place in the men's division.

Mixed league bowling winners were Tim Guinotte, John Guinotte, and Jeanette Malone. John scored high series; Joan Dains, women. Spencer Guoladdle had high ame for men; women, Jackie Fischel. Jackie and John Beal won mixed doubles. Jay Osborne and Scott Sherman shot to win the doubles pool championship. Mike Buss won the singles trophy.

Ken Palmer was the singles table tennis champion. Momin Mahmud won the singles badminton. Joe Heenen was intramurals golf champion.

School Holds Space Expo

The second annual excursion into history was held at BCCC in late April. The program included speakers with other events going on at the same time.

Included in the program were exhibits from the Smithsonian Institute; ten films on various facets of flight and current space exploration; original balloons, kites, and artwork by faculty and students from BCCC; civilian, military, and experimental aircraft.

The 125th Observation Squadron had a reunion throughout the day at the Elks lodge in El Dorado.

Other special events such as parachute jumps were cancelled because of adverse weather.

Top Students Are Recognized

Candidates for the Order of the Purple were honored at a banquet on May 13 in the Student Union cafeteria. Mary Roberts, speech instructor at Pittsburg State University, was guest speaker at the annual dinner.

Students who have a 3.25 grade point average or better upon graduation are now honored with membership in this elite group at commencement. Next year, to be eligible, students will be required to have a 3.5 grade point average and at least thirty hours of college work.

The Order of the Purple recognizes students for outstanding scholarship, leadership, service, and character. The first group of seven students was inducted in this society in the spring of 1937. This year 94 students were nominated for this honor.

ACADEMIC ACHIEVEMENT at Butler is recognized when the students are honored at the annual Purple Dinner. Three students who were honored this spring are (from left) Tod Trekell, Rachel Seager, and Chuck Vaught. **UPPER LEFT:** Dung T. Ma and Tong B. Nguyen and families enjoy the dinner. Ma and Nguyen are Vietnamese refugees who are graduating from BCCC with honors.

Graduates Look To Future

On May 14, nearly 500 Butler County Community College students walked across the stage to receive their diplomas. Graduates, faculty, family, and friends packed the fieldhouse for the commencement ceremonies.

Frank Gaines, 16th District state senator from Augusta, gave the commencement address after being introduced by President Carl Heinrich.

Keith Martin, chairman of the Board of Trustees, presented the class members with their degrees.

Special music was performed by BCCC's brass ensemble, the college choir, and the ladies' ensemble.

GRADUATES, family, and friends, upper right, pack the gymnasium for the commencement exercises. Lower left, Julie Crawford receives congratulations from Dr. Carl Heinrich. Lower right, Mr. Gayle Krause presents members of the Class of 1983.
